## To the Residents of Scott Township:

*This Spring issue of Scott Topics is filled with upcoming events and information that is useful for every resident.*

Scott Township Manager, Denise Fitzgerald, is a Credentialed Member of the International City/County Management Association (ICMA) and a member of the Governmental Affairs and Policy Committee.

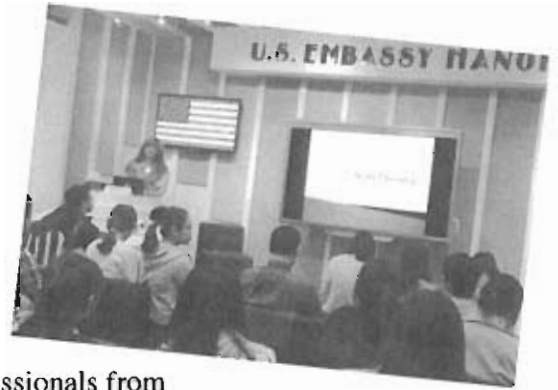

Last fall, Scott Township had the opportunity to host two professionals from Burma/Myanmar and Vietnam as participants in the Professional Fellows Program, sponsored by the US Department of State and arranged by the ICMA.

On the flip side of the exchange program, Mrs. Fitzgerald spent two weeks in Vietnam this Spring. The goal was to establish a structured interaction between US local government and foreign participants, with emphasis on infrastructure and environmental issues, including recycling and clean water.

She said one of the highlights of the trip was the occasion to speak at the U.S. Embassy's American Center in Hanoi where she found the residents very eager to learn about American government and culture. Environmental issues are global and sharing ideas can only help in the future.

Aside from the professional aspect, Denise was able to observe the Vietnamese culture, tour several areas and meet with residents and officials.

## VOLUNTEER!

### Scott Township - Community Clean-up! Saturday, May 14<sup>th</sup>

#### Pizza Party for volunteers following the cleanup.

Help keep Scott Township looking great! Join your friends, neighbors and Pennsylvanians across the state and participate in the "Great American Cleanup of PA."

Cleanup is scheduled for Saturday, May 14, 2016 with a rain date of Sunday, May 15th.

Our focus this year is the main roads in Scott Township. Lend a hand and help pick up litter that has accumulated along Washington Pike, Greentree Rd., Hope Hollow Rd, and Scrubgrass Rd. If you are planning to help and would like to work elsewhere in the township, let us know and we will accommodate you.

Spread the word. Both individuals and groups are welcome. If you want to bring a group but would like to come on a day other than May 14th, contact us. The

goal is to get our township looking good, and we will work with you.

For safety reasons, children may participate but only if accompanied by a parent or guardian.

The cleanup will begin at 9 a.m. and continue until noon with pizza at 11:30. Come late. Leave early. Any amount of time you can give will be appreciated! Cleanup materials will be provided.

Here is what you need to know: Come to the Scott Township Municipal Building on the corner of Lindsay and Greentree Roads, 301 Lindsay Rd. Volunteers will be provided bags, gloves, and safety vests and directed to various roadways in the township in need of cleanup. It is recommended that volunteers wear long pants, sturdy shoes and comfortable clothing.

**For more information contact Jane Sorcan - call 412-276-5820 or email: [jasorcan@verizon.net](mailto:jasorcan@verizon.net).**

## Bill Wells

2nd Ward

First, I want to thank you for affording me the pleasure and opportunity to be your commissioner in the Second Ward. I have some very exciting news about needed improvements that have or will take place this year in our ward.

The sewer line behind 6 houses on Claireview has now been officially accepted by the township. The sanitary sewer line has been a severe problem for six home owners since the homes were built in 1958. The original developer installed the main sanitary sewer in the street incorrectly placing it higher than the basement floors on these homes. The developer then placed a 4 inch line behind the homes in an attempt to rectify the problem and did not install any clean outs on this sewer line. This past summer with engineering services donated from Mark Mox two new manholes were installed by the township enabling the township the ability to clean and maintain this sewer line. Mr. Mox also created the necessary easement drawings on this sewer line so it could be properly accepted by the township. Prior to these improvements the township could not perform maintenance on this line and the home owners were forced to deal with numerous unsanitary sewage backups. Thank you Mr. Mox!

The next large project completed in Ward 2 was modifying the storm water management plan behind the homes on Pinetrees Drive off of Lindsay Road. Since the property was developed in 2002, horrific flooding of homes and the street would occur during large rain events. Large swales and storm management facilities were reinstalled correctly by the township to prevent future flooding.

This year we will finally have new playground equipment installed with one half of the financing secured through a DCNR matching grant at the Lindsay Road Scott Park, further the new pool facility being constructed is on schedule to open Memorial Day weekend with absolutely no cost increase in pool passes or daily admissions.

This year the commissioners are exploring moving monetary funds in the budget into our yearly road paving budget so that more roads can be repaired and repaved. We are also exploring alternative paving methods suggested by Commissioner Calabria that will be more cost effective. I have also had far fewer complaints of cars parking in the front yards, and I thank you for your civic pride.

If I can be of assistance please email me at [wellscommissioner@gmail.com](mailto:wellscommissioner@gmail.com), call at (412)-276-8623 or stop at 635 Lindsay Road for a chat.

I have also been asked by the Wynnecliffe Manor Virginia Vue Civic League to inform residents of Ward 2 that Santa and the horse drawn sleigh has been scheduled for December 10, 2016 starting at Crosswinds at approximately 9:00 am and finishing up in the late afternoon at Pinetrees.

I hope you have a great year, and again thank you for your trust, and please be assured that every attempt is being made to not waste your tax dollars. My father always would ask me when I wanted to purchase things "is that something you need or just something you just want" and I always ask myself the same thing before I vote on matters involving finance.

## Frank Bruckner

7th Ward

To my fellow Scott Township residents:

Thank you for your support during the recent election. I am truly honored to represent you and the residents of the 7th Ward as your Commissioner.

While there is much to learn, I am confident that with the assistance of my fellow commissioners, our Township Manager, the help of the employees of Scott Township and our Management Team, I will acquire the knowledge and experience to effectively represent the 7th Ward.

Having served for over a decade on the Scott Township Zoning Hearing Board, I have had the opportunity to interact with many residents on a wide variety of issues.

Most recently, several residents have expressed concerns with Public Safety issues such as street lighting, street signage, road repairs/improvements and speed on our neighborhood streets. Suffice it to say, it is incumbent on us all to drive carefully and obey all posted speed limits and detours, as well as traffic signs and signals when navigating our roadways.

As a strong advocate of Public Safety, I know that our Police Chief, Jim Seccret and the entire compliment of our Police Department serve our community honorably. Because of their sacrifices and professionalism, I have requested that a Proclamation in honor of Law Enforcement Appreciation Day be issued to recognize our Police Department on Public Safety Day.

Scott Township is also blessed with three proud and distinguished fire departments consisting of Bower Hill, Glendale and East Carnegie. Collectively, they oversee/govern Scott Township Emergency Medical Services (EMS). I intend to extend my full support and address any issues that may arise.

Our Public Works Department continues to provide excellent township maintenance including snow removal and other required services. A special shout out to Director of Public Services Randy Lubin and Public Works Supervisor Bert Smelko for their support and efforts!

Through cooperation and communication with county, state and federal officials, I would like to explore ideas, grants and suggestions for ways to enhance the public safety of Scott Township.

We are also benefited by a fine township library. I support and applaud the dedicated library staff members including Gina Leone, and the Board of Directors all of whom contribute to making our Library a wonderful township resource.

In closing, I look forward to the coming of Spring, the opening of our new pool, and building longstanding relationships with all of you!

If I can answer questions or help with township problems, please call me at (412) 279-9563 or e-mail [fbruckner.stwp@gmail.com](mailto:fbruckner.stwp@gmail.com).

## Don Giudici

9th Ward

Hello to the residents of the Ninth Ward. Please take time to read through this newsletter. The information contained herein is very beneficial and helpful to the residents of Scott Township and surrounding communities.

Now that the weather will be improving we can begin to look forward to upcoming events such as the Easter Egg Hunt, Memorial Day Parade, Public Safety Day, Fourth of July, Summer Movies in the Park and Oktoberfest.

A big event this summer will be the Grand Opening of the new Scott Township Swimming Pool set for the Memorial Day Weekend providing that there are no construction delays.

Have a wonderful summer and please remember to take advantage of our beautiful park and new swimming pool. Also, remember to drive safely and obey all traffic rules and posted warnings on the road especially around construction zones in order to keep our roads safe for everyone.

Provide your name, address, contact phone number, dates you will be gone and information pertinent to the property (i.e. lights on timers, cars in driveway, etc.)and a local emergency contact name and number should a problem arise.

# What is Stormwater Management?

Stormwater management is the control of water that runs off the surface of land from rain and/or the melting of ice or snow. Construction of impervious surfaces, such as roofs, roadways and parking lots allow uncontrolled water to directly flow to catch basins that collect, convey and discharge runoff into our streams and waterways, minimizing natural infiltration into the soil.

## What You Can Do To Help with Stormwater Management

Anything that goes into our storm inlets flow untreated to the Township's streams and waterways. Here's a list of some simple tips and things you can do to help keep our waters clean and safe now and in the future.

- Dispose of household hazardous waste such as paints, used auto fluids such as antifreeze, oil, etc. and batteries at designated collection recycling locations... "Do Not Dump, Drains to Stream" are drain markers you see that are installed on many of our catch basins.
- Clean up after your pet and properly dispose of pet waste.
- Use pesticides and fertilizers sparingly. If you do use them, select brands that are labeled or marked safe for the environment.
- Repair leaks from automobiles and other motorized equipment.
- Use a commercial car wash, or wash your car with biodegradable soap on a lawn or other unpaved surfaces.
- Do not spray or wash pavement debris and yard clippings out onto the street.
- Participate in our leaf and branch waste program when possible.
- Clean paint brushes in a sink, not outdoors.
- Please don't litter. Always dispose of trash and other debris in an appropriate receptacle.

***Everyone needs to do their part to help maintain a healthy and safe living environment. Every little bit helps!***

## e-waste Recycling

In 2010, the PA state legislature banned many electronic devices, including televisions and computers from landfills and incinerators. The turn out at e-waste recycling collections has been overwhelming and it has become difficult to find an outlet for these electronics. At this time, there are no state compliant recycling options for TVs that meet the strict environmental standards. We are continuing to explore options to bring this event to our residents. Check for signs throughout the township and the township website for any future e-waste events.

Visit **[www.scott-twp.com](http://www.scott-twp.com)** for more details.

# Scott Township - Garbage & Recycling Pick-Up

**1. REGULAR CURBSIDE COLLECTION:** Garbage and refuse should be placed at the curb the night before your scheduled pick-up.

**2. GUIDELINES FOR COLLECTION:**

- Garbage should be in properly secured containers or plastic bags.
- All furniture items, appliances, household goods and disassembled children's swing sets will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
- Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.

**3. EXCLUDED ITEMS:**

- Building materials may be picked up for a fee by calling Waste Management at 1-800-866-4460
- Tires
- Automobile parts, including wheel rims.
- Trees and branches.
- Ashes from furnaces and fireplaces.
- Stones and dirt, liquid paint.

**4. RECYCLING**

Recyclables should be placed loose in a single container.

**SINGLE STREAM RECYCLE:** Residents do not have to separate the plastics—Type 1 through 7, metals, glass and papers.

**ACCEPTABLE ITEMS INCLUDE:**

- Metal:** Metal food cans, aerosol cans (empty), aluminum foil and foil products (clean), beer and soft drink cans
- Plastic:** Plastic baby wipe containers, bleach, detergent, household cleaner bottles, yogurt cups, food containers, margarine tubs, shampoo bottles
- Glass:** Beverage bottles and food jars (clear, brown, amber and green)
- Paper:** Paperboard boxes (cereal, tissue, shoes etc.), white office paper, computer paper, magazines, newspapers, advertising inserts, junk mail (including envelopes), catalogs, phone books, paperback books, coupons and receipts, paper bags and shopping bags (handles removed), corrugated, *note: corrugated must be tied or banded no longer than 14" x 14"*.

Recyclables will be picked up every other week on your regular garbage pick-up day. The municipality will be divided into two sections, (A) and (B). Please refer to the street listing (visit [www.scott-twp.com](http://www.scott-twp.com)) to be sure when service will be provided and refer to the calendar below.

**5. HOLIDAY SERVICE:** If a holiday falls on Monday, pickup will be one day later, Tuesday. **Observed holidays for 2015 are:** New Years Day, Memorial Day, Labor Day, Thanksgiving and Christmas Day. If the holiday should fall on a weekend, your pickup day will not be affected.

**6. APPLIANCES CONTAINING REFRIGERANT:**

The contractor will collect such items as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, etc.; however, the item must have a sticker certifying that refrigerant has been removed. If it does not have the sticker, it will not be picked up because it is unlawful for the contractor to dispose of these items containing refrigerant. To save refrigerant removal costs, it is suggested that residents have the company delivering the new appliance dispose of the old appliance.

**7. QUESTIONS REGARDING REFUSE OR RECYCLING COLLECTION AND BILLING CALL:**

Waste Management of PA at 800-866-4460.

Please look for your street name on either Schedule A or Schedule B for your recycling pickup date.

**Regular Curbside Collection:** Garbage and refuse should be placed at the curb after 6 p.m. on Sunday and before 6 a.m. on Monday for collection.

## **PROCEDURES FOR MUNICIPAL NO LIEN LETTER AND DYE TEST APPLICATION FOR REAL ESTATE CLOSING**

THE MUNICIPAL NO LIEN LETTER/DYE TEST APPLICATION FOR CLOSINGS IS A TWO STEP PROCESS AND **NO TAX INFORMATION IS RELEASED** WITHOUT BOTH STEPS BEING COMPLETED. ONCE THE PROCESS BEGINS, **NO REFUNDS WILL BE ISSUED**

**STEP 1:** REQUEST FOR A MUNICIPAL NO LIEN LETTER SHOULD BE SENT TO THE SCOTT TOWNSHIP TAX OFFICE, 301 LINDSAY ROAD, CARNEGIE PA 15106. THE MUNICIPAL NO LIEN LETTER INCLUDES REAL ESTATE TAX INFORMATION FOR THE CURRENT AND THE PAST (3) YEARS, AND INCLUDES BOTH SCHOOL AND TOWNSHIP TAX CERTIFICATIONS, AS WELL AS SEWAGE CERTIFICATIONS. THE FEE FOR THIS SERVICE IS \$30.00. MAKE YOUR CHECK PAYABLE TO THE SCOTT TOWNSHIP TAX DEPARTMENT. ALLOW (7) BUSINESS DAYS FOR COMPLETION OF THIS REQUEST. THE RUSH FEE FOR THIS SERVICE IS \$60.00 AND THE INFORMATION WILL BE PROVIDED IN (2) BUSINESS DAYS (**PROVIDED THAT STEP 2 IS COMPLETED**).

**STEP 2:** IN CONJUNCTION WITH THE ABOVE REQUEST, A DYE TEST APPLICATION ALSO KNOWN AS A LETTER OF COMPLIANCE SHOULD BE REQUESTED FROM THE COMPLIANCE OFFICE LOCATED ON THE 2<sup>ND</sup> FLOOR OF THE MUNICIPAL BUILDING. THE COMPLIANCE OFFICER WILL PREPARE THE APPLICATION FOR THE HOMEOWNER OR PLUMBER. **IT IS THE HOMOWNERS' RESPONSIBILITY TO PICK UP THE APPLICATION AND ARRANGE FOR A CERTIFIED PLUMBER WITH ALLEGHENY COUNTY TO PERFORM THE TESTING.** THE TOWNSHIP HAS A LIST OF CERTIFIED PLUMBERS IF YOU NOT HAVE ONE. ONCE THE TESTING IS COMPLETED BY THE PLUMBER, **THE HOMEOWNER WILL NEED TO SIGN OFF ON THE APPLICATION.** THE COMPLETED APPLICATION IS RETURNED TO THE COMPLIANCE OFFICE FOR APPROVAL. **AFTER APPROVAL, THE TESTING IS VALID FOR (2) YEARS.** (THE COMPLIANCE OFFICE WILL BE ABLE TO TELL YOU IF YOU NEED THE ACTUAL TESTING OR IF YOU NEED TO RECERTIFY THE TESTING.) IF YOU LIVE IN AN APARTMENT OR A CONDO, DYE TESTING IS NOT REQUIRED AT THIS TIME. THE FEE FOR THIS SERVICE IS \$15.00. MAKE YOUR CHECK PAYABLE TO THE SCOTT TOWNSHIP SEWER FUND. PLEASE ALLOW (7) BUSINESS DAYS FOR THE COMPLETION OF THIS REQUEST. THE RUSH FEE FOR THIS SERVICE IS \$25.00 AND THE INFORMATION WILL BE PROVIDED IN (2) BUSINESS DAYS.

**TWO SEPARATE CHECKS ARE REQUIRED FOR THIS PROCESS.** PLEASE INCLUDE A SELF-ADDRESSED, STAMPED ENVELOPE IF YOU WOULD LIKE THE NO LIEN LETTER MAILED TO YOU.

FOR FURTHER ASSISTANCE REGARDING STEP 1, PLEASE CONTACT THE TAX OFFICE AT 412-276-5302 AND FOR STEP 2, PLEASE CONTACT RANDY LUBIN, DIRECTOR OF PUBLIC SERVICES AT 412-276-5300, EXT 218.

## Stormwater Pollution Solutions

### Residential

Recycle or properly dispose of household products that contain chemicals, such as insecticides, pesticides, paint, solvents, and used motor oil and other auto fluids. Don't pour them into the ground or water storm drains.

#### Lawn care

Excess fertilizers and pesticides applied to lawns and gardens wash off and pollute streams. In addition, yard clippings and leaves can wash into storm drains and contribute nutrients and organic matter to streams.

- Don't overwater your lawn. Consider using a soaker hose instead of a sprinkler.
- Use pesticides and fertilizers sparingly. When use is necessary, use these chemicals in the recommended amounts. Use organic mulch or safer pest control methods whenever possible.
- Compost or mulch yard waste. Don't leave it in the street or sweep it into storm drains or streams.
- Cover piles of dirt or mulch being used in landscaping projects.

#### Auto care

Washing your car and degreasing auto parts at home can send detergents and other contaminants through the storm sewer system. Dumping automotive fluids into storm drains has the same result as dumping the materials directly into a waterbody.

- Use a commercial car wash that treats or recycles its wastewater, or wash your car on your yard so the water infiltrates into the ground.
- Repair leaks and dispose of used auto fluids and batteries at designated drop-off or recycling locations.

#### Septic systems

Leaking and poorly maintained septic systems release nutrients and pathogens (bacteria and viruses) that can be picked up by stormwater and discharged into nearby waterbodies. Pathogens can cause public health problems and environmental concerns.

- Inspect your system every 3 years and pump your tank as necessary (every 3 to 5 years).
- Don't dispose of household hazardous waste in sinks or toilets.

#### Pet waste

Pet waste can be a major source of bacteria and excess nutrients in local waters.

- When walking your pet, remember to pick up the waste and dispose of it properly. Flushing pet waste is the best disposal method. Leaving pet waste on the ground increases public health risks by allowing harmful bacteria and nutrients to wash into the storm drain and eventually into local waterbodies.

#### Residential landscaping

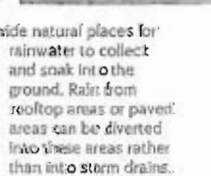

**Permeable Pavement**—Traditional concrete and asphalt don't allow water to soak into the ground. Instead these surfaces rely on storm drains to divert unwanted water. Permeable pavement systems allow rain and snowmelt to soak through, decreasing stormwater runoff.

**Rain Barrels**—You can collect rainwater from rooftops in mosquito-proof containers. The water can be used later on lawn or garden areas.

**Rain Gardens and Grassy Swales**—Specially designed areas planted with native plants can provide natural places for

**Vegetated Filter Strips**—Filter strips are areas of native grass or plants created along roadways or streams. They trap the pollutants stormwater picks up as it flows across driveways and streets.

# The Scott Conservancy

Home to a Natural Woodland Area with Walking Trails

If you like to watch birds, experience nature with a brisk walk in the woods, or just want to take your dog out for some morning exercise, the Kane Woods Nature Area located on Scrubgrass Road is the place to go. The

Bridge. The second, larger parking lot is the Scrubgrass Run Trailhead at 1459 Scrubgrass Road, and the third is the Jewish Community Center parking lot on Kane Blvd. All three areas provide easy access to the trail network.

nearly 80-acre nature preserve nestled in the heart of Scott Township is available for all residents to enjoy. A series of trails guide residents through the forest and meadows where they can see oak trees, a meandering stream, and plenty of wild turkey and other woodland birds. Scott Conservancy volunteers maintain the Kane Woods for the enjoyment of the community and to preserve a woodland environment in the heart of our neighborhood. We welcome you to our trails and nature area and hope you will consider volunteering with the Scott Conservancy or making a donation to support the mission of preserving Scott Township's green space.

Three parking lots are available for visitors: A small one is the Whiskey Point Trailhead located at 1461 Scrubgrass Road directly across the Veteran's Memorial

The Scott Conservancy is comprised of local residents who love Scott Township and its wild and scenic nature areas. Volunteers without paid staff or professional fundraisers manage the Conservancy. All the money raised by donations go right back into the community to improve the nature area and maintain the trails.

Please visit [www.ScottConservancy.org](http://www.ScottConservancy.org) or call us to learn about Conservancy activities and how you can get involved, our phone number is 412-276-5300 x301. We'd be thrilled to provide you with information about the Scott Conservancy, and we have a wonderful brochure and a trail map of the Kane Woods Nature Area which can be found at the website along with our event calendar for 2016. See you on the trail!

## STPL Turns 15!

STPL turns 15 this year! The vision for a public library began back in the early '60s, when residents realized what an asset it would be to the community. In 1965, initial funds were raised and invested, and a plan laid out to illustrate the need for a local library. In the late 1990s, the energy picked up again, and on March 26, 2001, Scott Township Public Library opened its doors to patrons.

## We're here for you!

Did you know that in addition to our library services we provide many other resources, including various databases, music, and eBooks (OverDrive)? Accessing our databases is easy - visit the "Library Resources" tab of our website to get started.

We also offer a variety of children's, teen, and adult programs, including everything from yoga to painting to jewelry making!

## What Our Patrons Are Saying...

"I love this library!"

"I'm retired and the library has opened a new world for me. I use the computer. Above all, the librarians are like extended family."

"My daughter's eyes light up when I ask her what she thinks about the library."

"Our library is an oasis on our journeys."

"I love to come to the library because I get my favorite series, *Rainbow Magic* books."

"I hate missing a day here."

## Friends of the Library

Over the years, the Friends have given the library many of the items to help it become what it is today.

The Friends contribute \$8,000 annually towards special collections, including everything from our Hindi movie collection, large print books, audio books, puppets, newspapers, magazines, bookshelves, chairs, and fax machine.

All library users are encouraged to become a member of the FoL —if interested, please inquire at the library.

FoL meetings take place on Thursday evenings at 7pm, and are scheduled for 1/28, 4/28, 6/23, 8/25, & 11/10.

## LIBRARIES TRANSFORM™

#libraries  
transform

More and more, the roles of libraries are shifting to accommodate the ever-changing needs of their communities. Libraries are becoming community centers — a place to congregate for a yoga class, a tutoring session, or take a computer course. With this progression, the American Library Association has launched a new initiative called "Libraries Transform." Libraries Transform highlights the differences in today's libraries from those of yesteryear — it is more about what libraries do for and with people than what they have. With the advent of our 15 year anniversary, we are always looking for new and exciting ways to enhance the lives of our patrons, be it through our programming, advances in technology, or just offering a community space for you to relax, unwind, and read.

"The library is the  
family room of the  
community."  
-Akhtar Badshah

## Volunteering

For ages 14-114!

Some typical activities our volunteers do include:

- shelving and shelf reading
- helping with programs
- processing new books
- pulling reserved items for patrons

To volunteer, please visit our website or inquire at the library.

# 2016 Road Program

Road work is scheduled to begin on or around June and should be completed by September. Affected residents in these areas will be notified of dates when the work is scheduled to begin, which may include prohibiting street parking during that time, and the potential for temporary road closures. We appreciate your patience as you may experience minor delays during the milling and paving process along and around these roadways. Please drive safely and with caution when traveling through the work zone areas. Thank you and have a safe summer.

# Real Estate Taxes

## Lisa M. Riley, Tax Collector

The Scott Township Commissioners and School Board set the millage rates yearly when they adopt their budgets. The Allegheny County Board of Assessors determines the assessment of each property. The township or school district tax is calculated by multiplying the appropriate millage by the full market value as determined by the Allegheny County Office of Property Assessment.

On July 1st of each year the Scott Township Tax Office mails the township and school district real estate tax bills to either the property owner, their mortgage company, or their designated agent. Every property owner whose real estate taxes are paid by August 31st receives a 2% discount. The face tax is due no later than October 31st, and a 10% penalty is added to any unpaid tax on November 1st.

**PLEASE NOTE: TO AVOID A PENALTY, ALL PAYMENTS MUST BE POSTMARKED BY DUE DATE OR PRIOR TO DUE DATE, NO EXCEPTIONS.**

Chartiers Valley School District also offers an installment plan as an option to paying the tax in one payment. In order to pay the school tax in installments, the property owner must pay by the following dates below in 4 equal payments at face.

## Installment Due Dates

- 1st payment – October 15, 2016
- 2nd payment – December 15, 2016
- 3rd payment - February 15, 2017
- 4th payment – April 15, 2017

The Tax Office regularly updates the real estate tax records using deed transfers and information supplied by property owners or their agents. Allegheny County provides change orders used to update a property's assessment.

Please call our office at 412-276-5302 or email [lriley@scott-township.com](mailto:lriley@scott-township.com) for questions regarding the Scott Township or Chartiers Valley School District Real Estate Taxes.

## Delinquent Taxes

Homeowners whose taxes are delinquent will be subject to interest and lien fees and may be subject to a civil complaint filed with the District Magistrate.

## Tax Office Hours

Hours are Monday through Friday 8:00 a.m. to 5:00 p.m. For your convenience, payments can be made at our drive-thru window. On evenings and weekends, a drop off box is located to the left of the drive-thru window.

# Code Enforcement

When you are spring cleaning, keep in mind that it is unlawful to have unsightly debris or junk in your yard. It is also illegal to have unregistered or uninspected vehicles on your property.

**Haul away bags or dumpsters** can be placed on your property for clean up or a construction project for a maximum of **10 days**.

**PODS** are a convenient way to pack your belongings for storage elsewhere. Again, they can be on your property for a maximum of **10 days**. You **cannot** use trailers for storage on your property.

**Parking on your lawn or in your yard is illegal** and the Police Department and Code Enforcement are working together to step up enforcement. Officers will be looking for illegally parked cars evenings and week-ends and furnishing the information to the Code Enforcement Office.

**Chicken coops** are becoming increasingly popular, but township ordinances prohibit keeping poultry or farm animals, so raising chickens is not permitted in Scott Township.

## Rental Properties

Under PA Act 21, effective June 1, 2015 owners of all rental properties will be required to install carbon monoxide detectors. This will become part of the inspection process.

## Recycling

Effective April 1, 2015, Scott Township has gone to Automated Recycling.

Please place your recyclables in your new bin with the lid opening toward the street with a minimum of three feet

between each container and other objects. Do not park your vehicle near the container.

The truck has a mechanical arm that reaches the bin so it is very important that you follow the placement instructions.
