# Scott Township - Garbage & Recycling Pick-Up

**1. REGULAR CURBSIDE COLLECTION:** Garbage and refuse should be placed at the curb the night before your scheduled pick-up.

## 2. GUIDELINES FOR COLLECTION:

- Garbage should be in properly secured containers or plastic bags.
- All furniture items, appliances, household goods and disassembled children's swing sets will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
- Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.

## 3. EXCLUDED ITEMS:

- Building materials may be picked up for a fee by calling **Waste Management at 1-800-866-4460**
- Tires
- Automobile parts, including wheel rims.
- Trees and branches.
- Ashes from furnaces and fireplaces.
- Stones and dirt, liquid paint.

## 4. RECYCLING

Recyclables should be placed loose in a single container.

**SINGLE STREAM RECYCLE:** Residents do not have to separate the plastics—Type 1 through 7, metals, glass and papers.

## ACCEPTABLE ITEMS INCLUDE:

- Metal:** Metal food cans, aerosol cans (empty), aluminum foil and foil products (clean), beer and soft drink cans
- Plastic:** Plastic baby wipe containers, bleach, detergent, household cleaner bottles, yogurt cups, food containers, margarine tubs, shampoo bottles
- Glass:** Beverage bottles and food jars (clear, brown, amber and green)
- Paper:** Paperboard boxes (cereal, tissue, shoes etc.), white office paper, computer paper, magazines, newspapers, advertising inserts, junk mail (including envelopes), catalogs, phone books, paperback books, coupons and receipts, paper bags and shopping bags (handles removed), corrugated, **note: corrugated must be tied or bundled no longer than 14" x 14"**.

Recyclables will be picked up every other week on your regular garbage pick-up day. The municipality will be divided into two sections, (A) and (B). Please refer to the street listing (visit [www.scott-twp.com](http://www.scott-twp.com)) to be sure when service will be provided and refer to the calendar below.

**5. HOLIDAY SERVICE:** If a holiday falls on Monday, pickup will be one day later, Tuesday. **Observed holidays for 2015 are:** New Years Day, Memorial Day, Labor Day, Thanksgiving and Christmas Day. If the holiday should fall on a weekend, your pickup day will not be affected.

## 6. APPLIANCES CONTAINING REFRIGERANT:

The contractor will collect such items as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, etc.; however, the item must have a sticker certifying that refrigerant has been removed. If it does not have the sticker, it will not be picked up because it is unlawful for the contractor to dispose of these items containing refrigerant. To save refrigerant removal costs, it is suggested that residents have the company delivering the new appliance dispose of the old appliance.

## 7. QUESTIONS REGARDING REFUSE OR RECYCLING COLLECTION AND BILLING CALL:

Waste Management of PA at 800-866-4460.

Please look for your street name on either Schedule A or Schedule B for your recycling pickup date.

**Regular Curbside Collection:** Garbage and refuse should be placed at the curb after 6 p.m. on Sunday and before 6 a.m. on Monday for collection.

## PARK RESERVATIONS

**Park Reservations go on sale the first Monday in November each year.** Residents rush to reserve the park facility they want for graduation parties, bridal showers, family reunions and picnics. Reservations for personal events can be made at the Administrative Offices, 2nd Floor of the Municipal Building beginning at 8:00 a.m. on November 2. You must be a resident of Scott Township, have your driver's license and all fees must be paid in full by cash or check.

**Reservations for businesses located in Scott Township can be made January 4, 2016.**

The shelters accommodate from 40 to 240 people and the indoor facilities hold approximately 70 to 100 people seated and are equipped with a kitchen.

## E-WASTE

Scott Township will again partner with **eLoop llc** to hold an electronic waste recycling event Friday, November 20th, 7 a.m. - 5 p.m.. Check the township website for updates.

The following can be dropped off free of charge: Televisions, desktop and laptop computers, monitors, printers, scanners, fax machines, stereos, toasters, coffee makers.

**You CAN be cited for leaving e-waste (TVs, computer equipment, etc.) at the curb!**

## Snow Removal

Our Public Works Department is already gearing up for the winter season. There are ways you can help them do a more efficient job and keep the roadways safe.

- ✱ Keep parked cars off the street during snowfalls. Snow removal crews need to be able to remove snow from the entire roadway.
- ✱ Be patient during a heavy snowfall. The Snow Removal Plan prioritizes major roads and streets and hazardous intersections. The crews will clear your street as quickly as possible.
- ✱ If you notice a hazardous section of Township road, report it to the Police Department or to Township Offices.

**Ordinance 1486-01 prohibits shoveling or placing snow out onto public streets to protect the health, safety and welfare of others.**

## Chicken Coops!

Keeping chickens is not permitted in Scott Township.

## No Bee Keeping in Township!

## Raccoons

Cooperating Federal, State and county agencies are conducting an oral raccoon rabies baiting project in Western PA. This year's operation ran August through September. For more information, visit the township web-site.

## What goes into our rivers impacts what goes into your glass.

Ever wonder where the water in your glass comes from? For most of us, it comes from our rivers. But when rain falls and snow melts, the resulting storm water can run down hills, flow through creeks and streets, and overwhelm our aging sewer systems. Everything this water touches—from the chemicals in our yards, to the motor oils in our streets, and even raw sewage—is washed into our major source of drinking water. Our rivers.

But there is a solution. A lot of dedicated people and municipalities are working on it. And you can help too. Use environmentally friendly lawn and garden products. Never pour oil or paint in a storm drain. Check with your local community about disposing of or recycling paint, oil and other chemicals. Because when it comes to clean water, we all drink from the same faucet.
