To the Residents of Scott Township:

This Spring issue of Scott Topics is filled with upcoming events and information that is useful for every resident.

This past October, the Township Engineer reported to the commission that in addition to leaks and piping needing replaced in our pool that there was significant deterioration and spalling of the concrete on the walls of the pool itself. With that said, we are building a new pool to replace the old one built in 1968. A committee has been formed so when the pool closes in the fall of 2015, we will be ready to begin building the new pool to be ready for the spring of 2016. The plan of the new pool includes "zero" entry walk-in area, a 50-meter competition swimming area, diving board, a dual water slide, rock climbing walls and a new water feature.

On May 2, 2015 at 1 p.m. the township is partnering with Heidelberg and Carnegie for a Tri-Community Parade. The parade route will begin at the Heidelberg Fire Department, continuing along Route 50 to Carothers Avenue and end on Main Street in Carnegie at their municipal building.

This issue of the Scott Topics will focus on upcoming events and usual seasonal issues, as well as provide you with some useful information regarding the most recent legislation of general interest to our Scott Township residents. I hope this issue of the newsletter is both informative and helpful to you.

Scott Township - Community Clean-up! **Thursday, May 28th**

Join your friends, neighbors and people across the state and participate in the "**Great American Cleanup of PA.**" Come join us.

The cleanup is scheduled for Thursday, May 28 with a rain date of Friday, May 29th. Lend a hand and help pick up litter that has accumulated along the roadways. Spread the word. Both individuals and groups are welcome. For safety reasons, children may participate but only if accompanied by a parent or guardian. The cleanup will begin at 9 a.m. and continue until

noon. Any amount of time you can give will be appreciated! This year, we will be accompanied by some of the Scott Twp Public Works team to ensure safety and to assist with the collection effort.

Come to the Scott Township Municipal Building; volunteers will be provided bags, gloves, and safety vests and directed to various roadways in the township in need of clean-up. It is recommended that volunteers wear long pants, sturdy shoes and comfortable clothing.

Please join your friends and neighbors and help make this event a success. It will be a gratifying experience!

For more information contact Jane Sorcan -
call 412-276-5820 or e-mail jasorcan@verizon.net.

1st Ward

Dear Residents,

I truly hope that by the time you are reading this the sun is shining and the long cold winter is behind us.

Now maybe we can get out and walk down the Carothers Ave corridor and enjoy our much needed streetscape. Many of you have told me you like the new lights and crossings and I believe it makes it much easier to see when driving thru at night. I feel it makes it safer for both pedestrians and motorists alike. You may have heard by now that Scott Township is looking into a new pool for the 2016 season. We have spent thousands of dollars over the last few years with repairs to the pool and feel like we are just throwing away good money. The Board of Commissioners feel the money would be better spent in building a new pool that will last us another 40 years instead of repairing it every year and hoping it holds through the summer months. Our goal is to start on it as soon as this season

ends and have it completed for the following season. We were also fortunate enough to have paved Finley Ave which many of you drive on making it a much smoother commute. I hope you are happy with the changes and improvements over this past year in Glendale and I always look forward for more to come.

For those of you who use our main park look forward to upgrades this year to enjoy with your family. Also remember that the township has an e-waste day quarterly to dispose of your unwanted electronics, watch for days posted. As always if there is anything I can do for you please do not hesitate to call me. Have a wonderful and safe summer!

Your Commissioner,
Eileen L. Meyers

Bill Wells

2nd Ward

With Swallow Hill Road finished and being enjoyed by most of the residents in Scott Township and the surrounding communities, the township is moving on with other major 2nd Ward projects over the next couple of years.

2015 is going to be a very busy time for 2nd Ward residents with many large projects scheduled. The sanitary sewer line on Clairview Drive will finally be repaired after 60 years of causing major problems for the residents. The storm sewer problem on Pine Trees will also be repaired so that the major flooding that has occurred since the plan was developed will be eliminated. These two projects will greatly improve the quality of life for the 2nd Ward residents served by these sanitary and storm sewer lines. There are plans to uncover and repair street drains in the 500 block of Lindsay Road when we repave a portion of Lindsay Road this summer. This should eliminate the garage and family room flooding on a couple of the houses when we have major storm events.

Scott Park will have two, or possibly three, major improvements over the next two years. The first will be a very large handicapped accessible playground installed, very similar to the one at Settlers Cabin Park (this should occur this summer). Even more exciting, we have formed a committee headed by Laura Hartman and hired an architect that has designed most of the newer major pools in the tri-state area (James Goldman) to design a new pool which is scheduled to be finished in May of 2016. The current pool is well over 40 years old and the concrete and filter lines have deteriorated way beyond permanent repair. The pool will

be temporarily repaired for use this year but as soon as the pool closes it will be demolished and a new pool will take its place over the fall and winter months. By the time this letter is published the plans should be complete and design drawings will be available at the township for all to view. There is also discussion taking place to develop a portion of the park by the basketball courts for a synthetic ice rink. The Scott Township Fire District has ordered a new ladder truck to serve the entire community and this will be funded by the township.

Since last year's letter I have had fewer complaints about parking in the grass areas in front yards. I thank you and so do your neighbors for your civic pride. You may have noticed the signs asking drivers to drive like their children live here and if you desire a sign for your yard there are some still available, please just call or e-mail me. In April you will be receiving new recycle receptacles that will make pickup fully automated. This will be a major adjustment for the residents but I believe after a couple of months we should be able to get used to it.

If I can answer questions or help with township problems please call me at 412-276-8623 or e-mail me at wellscommissioner@gmail.com. I have also been asked to let you know that the Wynnecliffe Manor Civic League has scheduled the sleigh and horses for Santa on December 12, 2015. The event will be the same as it has been for the past 60 years.

Thank you for affording me the privilege of serving you as your commissioner.

Stacey A. Altman *3rd Ward*

Hello Ward 3! I took great pleasure in writing this paragraph—I knew it would be in our SPRING mailer.

Thank goodness it's spring! With the warmer weather, you will continue to see improvements around the neighborhood.

With the support of the Scott Township Athletic Association, bathrooms will be installed at Spinner Field. I'm hoping that the majority of Rockhill Road will be paved & repaired. There will also be further work to improve the storm water and sewer issues we continue to struggle with. If you have not attended one of our meetings, I encourage you to do so. Get involved and voice your opinions and concerns. I will continue to work hard & strive to help you with any problem you may have. I may not always have the answer you want, but I will get you an answer!

A big thank you to the brave and dedicated men & women of our Fire District! Please support them, whenever you can. Remember, they are all volunteers!

Questions or comments, I am always available. Please call or e-mail me (staceyalt@msn.com), anytime.

I am grateful for the opportunity to serve you!

Craig Stephens *7th Ward*

I would encourage the residents to utilize the information contained in this newsletter as it is a valuable community resource. Have a safe and enjoyable summer.

Patricia Caruso *8th Ward*

I hope you are getting through this tough winter. Hopefully, the worst is over.

I think we must once again commend our road department for their excellent performance. I know it was really tough this year as the snow just kept coming.

Looking forward to Public Safety Day on Saturday, June 13, from 10 a.m. till 2 p.m. in the lower level of Scott Park. There is always participation from our local police, Fire District, EMS and SWAT along from Allegheny County. As always, there will be events for every age group and lots of information will be available. While we are still in planning mode, I can assure you that it will be worth your time. As always we add on to previous offerings. There is no cost for admission.

Also, please remember that the garbage company will not pick up e-waste. Scott Township will have periodic dates when it can be disposed of. We will post signs stating when this can be done.

If you have a concern, please contact me either by phone (412 279-0276) or e-mail (caruso1386@comcast.net). As always, it is a an honor and a pleasure to serve you.

Thomas Castello *5th Ward*

Hopefully, by the time you read this "spring has finally sprung" in Scott Township! As usual, our public works department did an excellent job keeping our roads drivable this past winter. You always know when you enter and leave Scott during snowy weather because our roads are always the best!

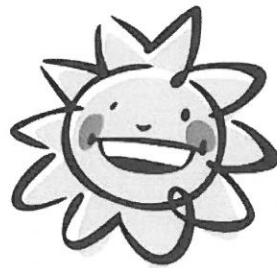

In the near future, you will be noticing some exciting new changes in the Township. After forty-six (46) years, we have decided it would make more sense to build a new pool rather than to continue repairing the current pool. The plan is to begin construction of the new pool late summer or early fall. The new pool will have some new features—zero depth walk in entry, a new double slide, two (2) climbing walls, lap lanes, a child friendly playing apparatus and it will be heated as well. Stay tuned for more details.

The Township will also be constructing a year round synthetic ice skating rink near the basketball courts and a new park at the end of Hope Street in the 5th Ward. We hope to have the new park ready for use late summer or early fall.

We are also going to continue our program of annually repairing and replacing so many roads a year. As you know, this past year we completed the reconstruction of Swallow Hill Road. Although we all were inconvenienced for a period of time, the improvement was well worth the inconvenience. Maintaining our roads is good for everyone and together with our pool is a valuable asset for enticing new residents to the Township.

As in the past, the Chief (and his department) and I will be overseeing a summer basketball program for the children of the Township. This is a great opportunity for your child to become accustomed to our great police department so he/she is not afraid of our police officers and will contact the department if a situation arises. If your child is interested, please complete the form in this newsletter.

As always, if you have any questions or issues, please contact me. Have a great summer and remember to **slow down** when driving!

• Scott Township • Board of Commissioners

Donald W. Giudici

9th Ward

Hello to everyone in the 9th Ward. Please take the time and effort to read through the Spring Newsletter in its entirety, as it contains much valuable information that I think you will find very helpful when you have any questions regarding whom to direct your inquiries to within the township.

Again this year, there will be much needed roadwork being done within the township. Please drive carefully and obey all posted speed limits and detours, as well as traffic signs and signals when navigating through and around the road construction this summer.

Also try to familiarize yourself with the township ordinances pertaining to pets, trash collection, building permits and noise. These ordinances are meant to help make Scott Township an attractive and safe place to live and raise your family.

I also want to thank our public works department in keeping up with snow removal and a special thanks to our police, fire and emergency medical response personnel whose job it is to keep all of the residents of Scott Township safe.

If I can be of any assistance to you please do not hesitate to give me a call at 412-973-1046 or send me a short e-mail to dwgiudici_cpa@hotmail.com. Remember, you are always welcome to attend our Board of Commissioners meetings on the second and fourth Tuesdays of each month starting at 7:30 p.m.

As always it is my privilege to serve you and our township.

May you and your family enjoy this summer and please try to participate in some of the special events sponsored by Scott Township during the summer and autumn months.

Code Enforcement

When you are spring cleaning, keep in mind that it is unlawful to have unsightly debris or junk in your yard. It is also illegal to have unregistered or uninspected vehicles on your property.

Haul away bags or dumpsters can be placed on your property for clean up or a construction project for a maximum of 10 days.

PODS are a convenient way to pack your belongings for storage elsewhere. Again, they can be on your property for a maximum of 10 days. You cannot use trailers for storage on your property.

Parking on your lawn or in your yard is illegal and the Police Department and Code Enforcement are working together to step up enforcement. Officers will be looking for illegally parked cars evenings and week-ends and furnishing the information to the Code Enforcement Office.

Chicken coops are becoming increasingly popular, but township ordinances prohibit keeping poultry or farm animals, so raising chickens is not permitted in Scott Township.

Rental Properties

Under PA Act 21, effective June 1, 2015 owners of all rental properties will be required to install carbon monoxide detectors. This will become part of the inspection process.

Recycling

Effective April 1, 2015, Scott Township has gone to Automated Recycling.

Please place your recyclables in your new bin with the lid opening toward the street with a minimum of three feet

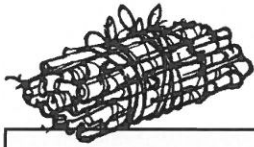

between each container and other objects. Do not park your vehicle near the container.

The truck has a mechanical arm that reaches the bin so it is very important that you follow the placement instructions.

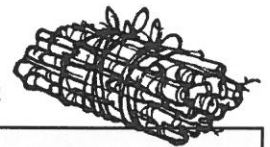

You cannot store recycling containers in the front of your house.

Scott Township - Garbage & Recycling Pick-Up

1. REGULAR CURBSIDE COLLECTION: Garbage and refuse should be placed at the curb the night before your scheduled pick-up.

2. GUIDELINES FOR COLLECTION:

- Garbage should be in properly secured containers or plastic bags.
- All furniture items, appliances, household goods and disassembled children's swing sets will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
- Empty paint cans and/or dried paint is acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.

3. EXCLUDED ITEMS:

- Building materials may be picked up for a fee by calling **Waste Management at 1-800-866-4460**
- Tires
- Automobile parts, including wheel rims.
- Trees and branches.
- Ashes from furnaces and fireplaces.
- Stones and dirt, liquid paint.

4. RECYCLING

Recyclables should be placed loose in a single container.

SINGLE STREAM RECYCLE: Residents do not have to separate the plastics—Type 1 through 7, metals, glass and papers.

ACCEPTABLE ITEMS INCLUDE:

- Metal:** Metal food cans, aerosol cans (empty), aluminum foil and foil products (clean), beer and soft drink cans
- Plastic:** Plastic baby wipe containers, bleach, detergent, household cleaner bottles, yogurt cups, food containers, margarine tubs, shampoo bottles
- Glass:** Beverage bottles and food jars (clear, brown, amber and green)
- Paper:** Paperboard boxes (cereal, tissue, shoes etc.), white office paper, computer paper, magazines, newspapers, advertising inserts, junk mail (including envelopes), catalogs, phone books, paperback books, coupons and receipts, paper bags and shopping bags (handles removed), corrugated, **note: corrugated must be tied or bundled no longer than 14" x 14"**.

Recyclables will be picked up every other week on your regular garbage pick-up day. The municipality will be divided into two sections, **(A)** and **(B)**. Please refer to the street listing ([visit www.scott-twp.com](http://www.scott-twp.com)) to be sure when service will be provided and refer to the calendar below.

5. HOLIDAY SERVICE: If a holiday falls on Monday, pickup will be one day later, Tuesday. **Observed holidays for 2015 are:** New Years Day, Memorial Day, Labor Day, Thanksgiving and Christmas Day. If the holiday should fall on a weekend, your pickup day will not be affected.

6. APPLIANCES CONTAINING REFRIGERANT:

The contractor will collect such items as refrigerators, freezers, air conditioners, dehumidifiers, water coolers, etc.; however, the item must have a sticker certifying that refrigerant has been removed. If it does not have the sticker, it will not be picked up because it is unlawful for the contractor to dispose of these items containing refrigerant. To save refrigerant removal costs, it is suggested that residents have the company delivering the new appliance dispose of the old appliance.

7. QUESTIONS REGARDING REFUSE OR RECYCLING COLLECTION AND BILLING CALL:

Waste Management of PA at 800-866-4460.

Please look for your street name on either Schedule **A** or Schedule **B** for your recycling pickup date.

Regular Curbside Collection: Garbage and recycling can be placed at the curb after 5 p.m. Sunday.

What to Recycle?

DID YOU KNOW - A lot of what goes to the landfill could be recycled and turned in to new products. Help keep valuable, recyclable materials out of the landfill. Place all the materials listed below in your recycling cart. Make sure you are not putting the materials listed under the "not accepted" list into your new containers. These materials can contaminate the entire load of recycling. For more information about what can be recycled, visit www.recycleoftenrecycleright.com.

RECYCLE OFTEN:

Paper Cardboard, Dairy & Juice Containers

Plastic Bottles & Containers #1-5 & 7

Metal Cans

Steel, tin & aluminum soda, vegetable, fruit & tuna cans

Flattened Cardboard & Paperboard

Paper

Brown paper bags, non-confidential office paper, newspaper, magazines

Glass Bottles & Jars

RECYCLE RIGHT:

MATERIALS NOT ACCEPTED IN YOUR NEW RECYCLING BIN:

- Food waste
- Foam cups, containers and shipping materials
- Laminated paper
- Plastic Bags (please take these to your local grocery store for recycling)
- Plastic take-out containers
- Plastic plates, cutlery, straws
- Plastic food wrap
- Clothing
- Greasy or sharp metal
- Broken office supplies
- Ceramics and broken glass
- Fluorescent bulbs and tubes
- Incandescent light bulbs
- Electronic Waste
- Sharps or needles

**We are mandated by Act 101
to remind our residents about the requirements
of our recycling programs every six months.**

**RECYCLE OFTEN.
RECYCLE RIGHT.**

AUTOMATED RECYCLING

Welcome to the new way of collecting your recyclables.

Dear Resident,

Please welcome your new, single-stream recycling bin.

WHAT TYPE OF MATERIAL CAN BE ACCEPTED IN YOUR NEW RECYCLING CONTAINER?

- The same material you could put in your old recycling bin
- All Papers (newsprint, magazines, cardboard, office paper, cereal boxes, etc.)
- Glass (beverage and food containers only)
- Plastic Containers (Food and beverage containers, water bottles, laundry detergent bottles, milk jugs, etc.)
- Tin and Aluminum food and beverage containers

WHAT TO DO WITH YOUR OLD RECYCLING BINS:

You may keep your old container and use as you please; however, it will no longer be acceptable for recycling. Should you want to recycle it, you may take it to a Scott Township drop off location, located at the **Public Works Building; 2600 Old Greentree Road**. Please stack your old containers in the dumpster provided by Waste Management.

Please note that the last recycle pick up for the current program will be the week of March 30, 2015. The automated program will only accept Scott Township approved recycling carts.

WHEN DOES THE NEW AUTOMATED SERVICE BEGIN?

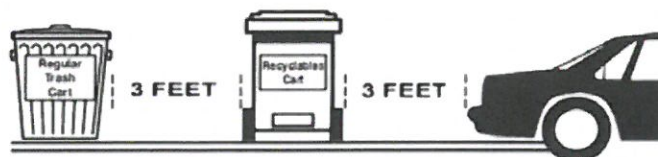

Please continue to use your existing recycling bin until your scheduled pick up during the week of April 6, 2015. At this point, operations will have all equipment in place to provide automated service.

Thank you in advance for your cooperation.

PLACE RECYCLABLES IN YOUR NEW CONTAINER

Please place your new containers with the lids opening towards the street with a minimum of three feet between each container and other objects.

THIS NEW EQUIPMENT IS DESIGNED TO BE AUTOMATED SO THE DRIVER DOES NOT LEAVE THE CAB. THE TRUCK HAS A MECHANICAL ARM THAT REACHES THE BIN; IT IS VERY IMPORTANT THAT YOU PLEASE FOLLOW THE PLACEMENT INSTRUCTIONS ON THE LID EACH TIME YOU PLACE THE BIN OUT FOR PICK UP TO PREVENT ANY INTERRUPTION IN SERVICE.

The Scott Conservancy

Home to a Natural Woodland Area with Walking Trails

If you like to watch birds, experience nature with a brisk walk in the woods, or just want to take your dog out for some morning exercise, the Kane Woods Nature Area is the place to go. The nearly 80-acre nature preserve nestled in the heart of Scott Township is available for all

soldiers who were sent to defend Bower Hill, the home of General John Neville, during the Whiskey Rebellion. This unit is based at the Woodville Plantation, the 1774 home of Colonel Presley Neville, and is funded and administered by the Neville House Associates.

residents to enjoy. A series of trails guide residents through the forest and meadows where they can see oak trees, a meandering stream, and plenty of wild turkey and other woodland birds. Scott Conservancy volunteers maintain the Kane Woods for the enjoyment of the community and to preserve a woodland environment in the heart of our neighborhood. We welcome you to our trails and nature area and hope you will consider volunteering with the Scott Conservancy or making a donation to support the mission of preserving Scott Township's green space.

The trails are named after significant events from the Whiskey Rebellion in July of 1794 that engulfed what is now Scott Township. The last few years a group of dedicated individuals known as Wayne's Legion recreated those days with an encampment and a demonstration of the federal troops and rebels in the conflict. These soldiers of the Fourth Sub-Legion of the United States, known as Wayne's Legion, are committed to accurately recreating the campaign and camp life of the Army of the United States from 1792-1796, and they specifically recreate the twelve American

Over a hundred people visited the Kane Woods for the event to learn about our early colonial history.

Three parking lots are available for visitors. One is the Whiskey Point Trailhead located at 1461 Scrubgrass Road directly across the Veteran's Memorial Bridge. The second parking lot is the Scrubgrass Run Trailhead at 1459 Scrubgrass Road, and the third place is the Jewish Community Center parking lot on Kane Blvd. All three areas provide easy access to the trail network.

The Scott Conservancy is comprised of local residents who love Scott Township and its wild and scenic nature areas. Volunteers without paid staff or professional fundraisers manage the Conservancy. All the money raised by donations go right back into the community to improve the nature area and maintain the trails. Please visit www.ScottConservancy.org to learn about Conservancy activities and how you can get involved. A map of the trail network can be found at the website along with our event calendar for 2015. See you on the trail!

Scott Township Public Library is here for you!

American libraries are cornerstones in the communities they serve. Free access to the books, ideas, resources and information in America's libraries is imperative for education, employment, and enjoyment. Our libraries continue to evolve by providing access to progressive materials and resources. Here in Scott Township, our small community library is doing the same to keep up with your needs and the changing times by moving forward with technology and introducing new programs. We are continually expanding our collection, services, and resources to better serve you, our patrons.

In 2014, Scott Township had a population of approximately 17,000 residents and 4,100 have library cards. Less than 25% of our residents are taking advantage of the services that *your* library has to offer. One of our goals is to increase community awareness of the benefits and services offered through the Library.

Did you know that your library card connects you to the resources available throughout all libraries in the county and beyond? If you need something that is unavailable in the Allegheny County Library Association system, we can order it for you from anywhere in the country. With your library card, you have access to a vast collection of books, large print books, magazines, movies, eBooks, DVDs, CDs, audio books, children's puzzles, and more. You can select your reading materials from the convenience of home and have them delivered to your Scott Township Public Library for pickup.

Did you know that your library card provides access to our public computers and free Wi-Fi service? At your library, you can fax, print, or make copies. Many patrons take advantage of these services to work, job search, do homework, and stay connected with family and friends from the Library.

Did you know we have a number of great online resources that can be accessed at the Library or with your library card at home? Visit www.scottlibrary.org for links to databases and eResources. Some of our favorites include Zinio, Freegal, Hoopla, and OverDrive.

Zinio allows you to download and borrow magazines. There are more than 300 to choose from, including Good Housekeeping, ESPN the Magazine, US Weekly, and more. Use Freegal to download 5 songs per week, from popular artists, FREE with your library card. With Hoopla, you can borrow and stream FREE music, movies, TV shows and audiobooks. OverDrive is the library's primary eBook and audiobook lending site. You will find a wide array of adult, teen and children's fiction and non-fiction titles. OverDrive is compatible with most eReaders and other devices, including Kindle.

Did you know that your library provides technology and research assistance? Stop in or call to setup an appointment with one of our professional team members. We can assist with your reference questions and help you with eReaders and other mobile devices.

Did you know about our programs, most of which are free? Library programming ranges from toddler story times to AARP safe driving classes. We offer on-going programs, as well as special programs for every age group. Check our Calendar of Events to see what's going on in your library. Your entire family can enjoy and benefit from many of our programs.

THESE ARE SOME OF OUR ON-GOING PROGRAMS

Toddler Storytime for ages 2 - 3 ½ with a caregiver, Mondays at 10:15am.

Preschool Storytime for ages 3 – 6, Tuesdays at 10am and Wednesdays at 1pm.

Scrabble Club for Adults, have fun keeping up your word skills, Tuesdays at 2pm. All welcome.

Conversation Salon, an informal discussion of current events and thought-provoking topics. The group meets in the small meeting room on the 2nd Monday of each month at 1pm.

Adult Book Discussion, 3rd Thursday of the month @ 1:30 pm (*This group does not meet in September or December.*) This is an informal discussion. Books are chosen by the participants and you do not have to read the book to participate.

Book Bingo for families on the 2nd Thursday of the month, 7:00 to 8:00 pm. Come join us for an exciting evening of Bingo! Everyone leaves with a book, some, with an arm load! This event is held in the Main Meeting Room of the Municipal Building and registration is required as space is limited.

MORE PROGRAMS for everyone are held throughout the year. Come by the library or check the website: www.scottlibrary.org for more information. If you have a topic you'd like us to explore, contact us at 412.429.5380 or stop in. We'd love your input.

Did you know the value of your library card? Within a year, you might purchase the following: 8 adult books, 24 children's books, 6 audio books, 10 magazines, 12 movies, 20 CDs, and 50 book and/or music downloads. **You would save \$1199.75* by using your community library.** Now, that is a bargain! It's like clipping coupons every day for a year. Speaking of coupons, **did you know** we have a coupon collection that you are welcome to take and use?

Did you know your Scott Township Public Library card is valid at almost every library in Allegheny County? Here's the interesting part, all of these services and resources are **FREE** to you, the public.

Annual Fundraising Challenge

A strong library supports growth within the community. Donations allow the Library to update and increase collections, provide special events and programs, and enhance the overall services for our patrons.

The annual matching challenge from the Township to raise \$5,000, by the end of October, is on again.

Please, invest in your community today!

2015 SUMMER READING CLUB

We have programs all summer!

This summer's theme is, "Every Hero Has a Story."

Scott Township Public Library's 2015 Summer Reading Club is fast approaching! It's very important to keep your kids reading and involved with books all summer long. At STPL, we do that by having extra programs, prize drawings, and tons of fun for everyone from babies to adults of all ages.

Registering for the Summer Reading Club is easy and free. Register early for extra prize tickets starting, June 15th. Summer Reading runs from June 15 – August 8.

Check our Calendar of Events for more details.

Friends of the Library (FOL)

Become a member today! The Friends are open to any and all forms of help and ideas. Membership costs are very reasonable and you can join at whatever level you feel comfortable. As a member of the FOL, you can shop on Members' Preview Night at the Used Book Sale and you will also receive a quarterly newsletter, which highlights library & FOL activities throughout the year.

Ask us about the FOL application.

We hope to have you as a Friend of the Library soon.

I want to support Scott Township Public Library

We depend on your support to help fund our community library. Every dollar makes a difference!
If you don't have a library card, please stop by and get yours today; they're free and we'd love to meet you.

Thank you for your generous support!

2015 Road Program

The 2015 Road Program is scheduled to begin in June and completed by September. Real Estate Taxes

Lisa M. Riley, Tax Collector

The Scott Township Commissioners and School Board set the millage rates yearly when they adopt their budgets. The Allegheny County Board of Assessors determines the assessment of each property. The township or school district tax is calculated by multiplying the appropriate millage by the full market value as determined by the Allegheny County Office of Property Assessment.

On July 1st of each year the Scott Township Tax Office mails the township and school district real estate tax bills. These bills are mailed either to the property owner, their mortgage company, or their designated agent. Every property owner whose real estate taxes are paid by August 31st receives a 2% discount. The face tax is due no later than October 31st, and a 10% penalty is added to any unpaid tax on November 1st.

PLEASE NOTE: TO AVOID A PENALTY, ALL PAYMENTS MUST BE POST-MARKED BY DUE DATE OR PRIOR TO DUE DATE, NO EXCEPTIONS.

Chartiers Valley School District also offers an installment plan as an option to paying the tax in one payment. In order to pay the school tax in installments, the property owner must pay by the following dates below in 4 equal payments at face.

Installment Due Dates

- 1st payment – October 15, 2015
- 2nd payment – December 15, 2015
- 3rd payment - February 15, 2016
- 4th payment – April 15, 2016

The Tax Office regularly updates the real estate tax records using deed transfers and information supplied by property owners or their agents. Allegheny County provides change orders used to update a property's assessment.

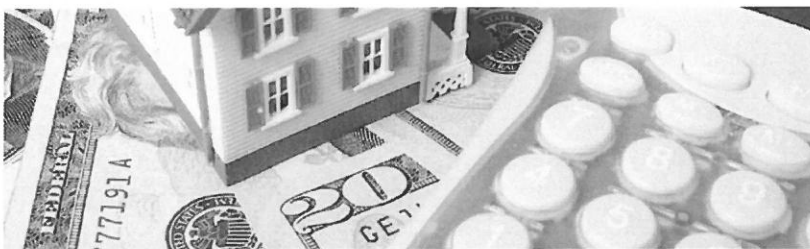

Please call our office at 412-276-5302 or email lriley@scotttownship.com for questions regarding the Scott Township or Chartiers Valley School District Real Estate Taxes.

Delinquent Taxes

Homeowners whose taxes are delinquent will be subject to interest and lien fees and may be subject to a civil complaint filed with the District Magistrate.

Tax Office Hours

Hours are Monday through Friday 9:00 a.m. to 5:00 p.m. For your convenience payments can be made at our drive-thru window during regular working hours. On evenings and weekends, a drop off box is located to the left of the drive-thru window.
