**Allegheny County Council
 Representative - Council District 4**

Hello, Scott Township residents! I would like to take this opportunity to formally reintroduce myself as your Allegheny County Council representative for Council District 4! I am truly honored, and deeply humbled, for you to have selected me to represent you, and your interests, in County government over the next four years.

We are fortunate, in that we are in the midst of exciting times for the western suburbs, and, truly, for the County as a whole. Over the course of my term, I will strive to promote economic development and infrastructure revitalization to help ensure that our community remains bustling, vibrant, and welcoming to all residents, businesses, and visitors.

Again, I would like to thank each and every one of you for your vote of confidence. If at any time, throughout the next four years, you need assistance with County government or services, or have a suggestion on what we can do better, please do not hesitate to contact me at 412-350-6490. For more information on Council, the services we can provide, and what we are working on, please visit our website at www.alleghenycounty.us/council-council/index.aspx.

Wayne Fontana

PA Senator - 42nd Senatorial District

I encourage Scott Township residents to contact my Brookline (412-344-2551) or Kennedy Township (412-331-1208) offices for assistance with any state matters. Whether it is PennDOT-related issues, unclaimed property, senior bus pass applications or anything else, my office is happy to assist.

You may also visit www.senatorfontana.com to stay informed on state issues and sign up to have my News & Views delivered to your inbox weekly. I look forward to continuing to serve you!

Anita Astorino Kulik

**PA Representative -
 45th Legislative District**

State Representative Anita Astorino Kulik represents the 45th Legislative District. This includes portions of Scott Township, Carnegie Borough, Rosslyn Farms Borough, Pennsbury Village, Robinson Township, Kennedy Township, Stowe Township, Coraopolis Borough, Neville Township, Ben Avon, Emsworth Borough, Kilbuck Township, and Ben Avon Heights.

Rep. Kulik has a main office in Coraopolis, and a satellite office in Carnegie, which is open on Tuesdays and Thursdays.

Rep. Kulik and her staff provide services to constituents of the district that deal with a wide variety of state related matters including rent rebates, utility matters, driver's license issues, health care matters, family, children and senior issues, PA taxation issues, school matters and any other matters concerning happenings and issues in Pennsylvania. Rep. Kulik can be reached at 412-264-4260.

Daniel Miller

**PA Representative -
 42nd Legislative District**

As your State Representative, I am very excited for the opportunity to be your voice in Harrisburg and I want to be sure you know that my office is here to serve you. We can assist you with many state and government programs. This includes PennDot forms, property tax rebate forms, unemployment, professional licenses, and unclaimed property. Seniors can sign up for a Port Authority bus pass at no charge and we also have a variety of informational brochures about state services, local non-profits, and state maps.

We pride ourselves on constituent service, so contact my office anytime, whether to share your opinions or to seek assistance with any state agency or service. You can reach us by phone, email, or stop in at 650 Washington Road in Mt. Lebanon.

We also send out email blasts with district updates and information about our many upcoming events. You can sign up for those by emailing me at RepMiller@pahouse.net.

To the Residents of Scott Township:

This issue of Scott Topics is filled with upcoming events and information that is useful for every resident.

Recently the Township revamped our website. Please be sure to take a look and give us your feedback at www.scott-twp.com. We have a new IT Director, Jim Stoker, who will be keeping the web site updated with the Township's information and upcoming events. In addition to the website, we have installed a new LED digital sign in front of the municipal building for the Township residents to be updated on events throughout the Township as well. Scott Park also received some additions this year. The park is now equipped with a regulation size Dek Hockey Rink and playground partially funded by the DCNR grant funding.

The Township was again awarded Banner Community status in 2018 thru the Allegheny League of Municipalities. Scott Township earned this designation by modeling ourselves as a community committed to sustainable practices, intergovernmental cooperation, sound fiscal management and proactive communications to engage community stakeholders.

This issue of the Scott Township News will focus on upcoming events, usual seasonal issues, as well as provide you with some useful information regarding the most recent legislation of general interest to our Scott Township residents. I hope this issue of the newsletter is both informative and helpful to you.

Denise H. Fitzgerald - Township Manager

Bill Wells

2nd Ward

Dear Residents of Ward two in Scott Township,

Thank you for the overwhelming support in the past election and for entrusting me to represent you, I will try to never disappoint you.

Last year finally brought the completion of the children's playground in Scott Park. This playground is handicapped accessible and I'm sure will be enjoyed for years to come. Please stop and see the new playground, I think you will be as amazed as I was. A large section of Lindsay was paved last year leaving only a small section that still needs paved and I hope to have that section done this year. If we do not change the paving guidelines and if the contract prices remain stable I would like to see Pine Trees Drive paved in Ward Two this year. The hockey deck at the park really turned out nice and I hope this facility is utilized and enjoyed by the children year round.

We are a thriving community which can be witnessed each year with the number of our neighbors who are remodeling and repairing their homes. Every spring, and summer we have a sea of contractors performing work to enhance the resident's homes. Fewer people are parking in the front yards and we have no empty homes due to foreclosures and the ones that were are now repaired, or flipped bringing us great new neighbors with civic pride.

This year I was appointed as the chairman of the finance committee for the township and will be watching the spending of all Township monies. I will fight to make certain your tax dollars are not wasted.

We have very qualified employees that are great workers. The winter road conditions are the best in the South Hills, and our parks are beautifully maintained thanks to the public works department, our office staff work diligently to help our residents and, our police officers are very concerned, honest, hard working and create our safe neighborhoods. We have 3 volunteer fire departments that are outstanding and dedicated. We can be very proud to live in Scott Township.

The township has revamped the website and it looks terrific with many interactive pages and many forms that are now able to be filled out and printed making the application process very simple. Please check what is going on in your community on our webpage and try to take advantage of the special events. There is a section on our webpage to put your email, home phone, or cell number to be notified of problems or emergencies.

In closing remember cars must be licensed and have valid state inspection to be parked in the driveway, on street parking is not permitted from 2:00am to 6:00am and, please if you see something wrong say something, lookout for our neighbors. Please stop at my house 635 Lindsay Road or call (412) 276-8623 or email at wellscommissioner@gmail.com if you have problems or questions.

Thanks!

PS: the Civic Leagues Santa event will be December 8, 2018. Look for the flyer around Thanksgiving.

3rd Ward

Hello Ward 3!

I hope that everyone had a happy and blessed New Year! Hopefully the snow is behind us & we can look forward to a beautiful Spring & Summer. A big thanks to our Public Works Department for always keeping our roads clear and safe!

As the weather improves, take an opportunity to enjoy our beautiful parks. We continue to try and make improvements that benefit everyone. A permanent bathroom facility has been added to Spinner Field. I promise to help and keep an eye on it!

Please take any opportunity you can to support & help our Fire District & EMS. These brave men & women serve our Township every day. Bower Hill VFD alone had over 260 calls last year!

As always, I am honored to serve this Township and I appreciate everyone who takes the time to let me know about any issues. Do not hesitate to call or email me: (724)350-4262 and/or saltman@scotttownship.com.

I can also be found at Vanadium Woods during any election. Stop by, say hello & please vote!

David Calabria

4th Ward

Hello, fellow residences of Ward 4. I hope you had a Blessed and Merry Christmas and that your New Year will be of good health for you and your families.

In my last newsletter I asked if you were not satisfied with issues in the Township issues to voice your opinion. Well your voice and vote called for a change. We now have two new commissioners on the board and they are anxious to work objectively for the good people of Scott. Your voice in the Township matters and your input can be addressed at Township Meetings. Commissioners work for the people of Scott and if you see something that does not look right, let us know before it turns into a problem.

For an update, the Traffic Signal for Bower Hill Road and Kane Blvd. is underway. The delay was due to the construction of a new water line installed on Bower Hill Road. We agreed to delay our traffic signal project and not have two projects working simultaneously to prevent even more traffic congestion.

This year's Road Program will be again very productive and for you wondering about Vanadium Road from Bower Hill Rd. to Worcester Dr., it will have a major upgrade. The upgrade will include new sidewalk and curb with full depth paving of the roadway.

If you did not see the new playground equipment at Scott Park, you are in for a pleasant surprise. It is a wonderful playground for our children to enjoy for years to come.

The best interest in our Township should always be our first priority in decision making and if you believe there is a compromise on any issues, please let your commissioner know your concerns.

And last, I want you to know that I appreciate your support and that I am honored to be your commissioner. Thank you.

◊ Scott Township Board of Commissioners ◊

Paul Abel

6th Ward

I would like to begin by thanking all of you in the 6th Ward who voted for me, and to all others, I hope that I can earn your trust. Since this is my first foray into local politics, I will do my best to listen to the residents of my ward regarding all concerns, and hopefully work together to get a satisfactory resolution to any problems that may arise. My goal is to be a good Commissioner and my mission is to vote fairly on issues that affect all Township residents.

As a long time employee and resident of Scott Township, I realize how decisions by the Board of Commissioners can affect the day to day lives of the employees and citizens. I hope to work hand in hand with the Administration, Police Department, and Public Works in order for Scott Township to remain a safe and great place to live.

Please feel free to contact me at abelone15220@yahoo.com or by phone at 412-276-5598 with any comments or concerns you may have. Thank you.

David Calabria, II

8th Ward

Hello, residents of the 8th ward.

I would like to start off on thanking everyone who supported me in the election. It was made easier by everyone's help.

With a lot to learn in this new adventure I am looking forward to representing the 8th ward. Several residents have already started voicing their concerns with issues about speeding around Meadowlark Park and on Raven Drive; I am investigating solutions to help with the problem. Also, I have been in contact with Penn DOT and they are in the process of looking to find the proper fix for Scrubgrass Road (flooding, ice, etc.).

Please I encourage all of you to contact me with your concerns, questions, and comments via Phone (412)613-2980 or Email david-calabria8thward@gmail.com or Facebook David Calabria 8th ward commissioner. Thank you!

Don Giudici

9th Ward

Hello to my fellow Scott Township residents of the Ninth Ward. Please take the time to read through this newsletter. The information contained herein I feel will be very beneficial and helpful to the residents of Scott Township and the surrounding communities.

There have been many enhancements made to the Scott Township Park over the past couple of years. Come check out the new pool, deck hockey rink, pickle ball courts, and the new playground equipment. Also, please try to visit and check out the new renovations made to the Scott Township Library.

Now that the weather will be improving we can begin to look forward to the upcoming events at the park such as the Easter Egg Hunt, Memorial Day Parade, Public Safety Day, Fourth of July, Movies in the park, and Octoberfest.

I also want to thank all of our public service personnel who do such a fine job of protecting the residents of Scott Township. I can't thank the Public Works, Police, Fire Departments, EMS Departments and all of our first responders for the great jobs they do protecting us all year round.

We truly have a wonderful home here in Scott Township and I pledge my continuing efforts to work with the Administration and other Commissioners to keep it that way.

Frank Bruckner

7th Ward

As your Commissioner, I am honored to serve you and be your advocate.

Scott Township is a safe, affordable, and conveniently located municipality in which to live, work and raise a family. That said, we need to continue our efforts to market Scott Township to attract new businesses, and residents, to help keep our property values high and our taxes low.

In early 2017, Scott Township Manager Denise Fitzgerald, and I set out to accomplish this task through the use of information technology and social media. We agreed that Information needs to be disseminated quickly and accurately, such as Public Service announcements, Amber Alerts, or the relocation of an event held at Scott Township Park or Municipal Building. We also agreed that as community leaders, partnerships between our local government and its constituency help instill pride and civic responsibility.

Our first effort began with Scott Township resident Peggy Troiani Owner/Operator of Troiani Web Design, to create a new professional, interactive, and user friendly Scott Township web site. Denise and I are very excited with the results, and we hope you will find it useful and informative.

Our second effort was collaboration with VIS Signs/Visual Information Systems on a new LED Display Message Board located at the entrance to Scott Township Municipal Building. This message board will enable Scott Township Government Administration to quickly disseminate public service announcements such as Amber alerts or the relocation of an event held at Scott Township Park or Municipal Building.

An important component to assist us with the use of information technology and social media is the recent hire of Jim Stoker as our Information Technology Technician Manager. Recently, Jim agreed to develop a Public Agency Account on the Social Media website "Next-door" to help Scott Township communicate with residents on important issues such as Crime and Safety.

Working together with Pennsylvania State Representative Anita Kulik and Allegheny County Councilman Pat Catena, who provided the funding, Denise and I were able to purchase a Standalone Automatic External Defibrillator (AED) for the Scott Township Municipal Building.

Denise Fitzgerald and I also applied for and acquired a matching grant to help fund a second Automatic External Defibrillator (AED) for the Scott Township Pool.

As the Chairman of the Public Relations Committee, we issued over 25 Proclamations including but not limited to:

- The Scott Police Department for Law Enforcement Appreciation Day which commemorates annually on January 9th.
- Several Local Small Business Owners and their successful activities.
- Several Boy Scouts for attaining the rank of Eagle Scout,
- A (60) year wedding anniversary,
- The Celebration of the (100) year anniversary of The Beth El Congregation.

DISTRICT 1: - UPDATE

It was a very sad time as we experienced the sorrowful impact of a lethal fire in our community and the tragic loss of life, and displacement of residents. Throughout that ordeal, I met with several residents, and I was truly touched by all of their concern and willingness to help. In the days afterward, I reflected on the tragedy, and I only hope that I was able to offer some solace to those in need.

(Continued on page 6)

(Continued from page 7)

I am truly proud of all of the First Responders, and our Police Department who were on scene. I would also thank my fellow commissioners for their solace during this tragedy.

Because of the tragedy, I reached out to my friend and confidant, Pennsylvania State Representative Dan Miller. Dan also represents District 1 of the 7th Ward, and Dan is an active member of the Mt Lebanon Fire Department.

Dan and I discussed several issues including Mt Lebanon's "After the Fire-First Night Free Program". This Program allows residents one free night at the Crowne Plaza Hotel in Bethel Park to eliminate the burden of wondering where a family is going to stay after a disaster strikes.

Shortly thereafter, Denise Fitzgerald and I collaborated and I am glad to report that we were able to implement an identical program here in Scott Township.

The 2017 Road Paving Program was completed in conjunction with new and updated road/pedestrian directional signage to identify traffic patterns and road hazards.

We again issued Twin Hills Controlled Archery Hunt Letters as per Court Ordered Mandate.

At Cochran Hall we installed (2) New Hooded Sewer Inlets to help deal with storm water runoff and keep debris from clogging both Sewers and causing flooding.

DISTRICT 2: - UPDATE

The highly anticipated annual Orchard Spring Road Halloween Party was enjoyed by all. This year the event was led by planning committee members; Rachel Schwartzmiller, Colleen Hough, and Melody Mackin which raised \$350.00 for the Scott Township Public Library. This family oriented event allows the community to come together for an afternoon of costumes, games, food, but mostly good old fashioned neighborly fun. District Magistrate Craig Stephens and his family were on hand, and the Judge cooked his infamous hot dogs.

I would also like to thank the Janco family for their participation, especially Greg Janco and his compilation of a collage to commemorate the event which was proudly displayed in the lobby of the Scott Township Municipal Building, and the Scott Township Public Library. My wife Jeanette and I were again honored to participate as a costume judges.

In the lower Parklet on Orchard Spring Road, we honored and commemorated the memory of the late Marge PASTOR and Jane SLATER and their families by installing a plaque on one of the Parklet benches.

Township Road Maintenance

- We obtained approval for a Pilot Program on the Conversion of (15) Sodium Street Lights to LED Cobra Head Street Lights.
- We coordinated new updated road and pedestrian directional signage indicating traffic patterns and road hazards.

As your Commissioner, I attended and participated in: *The Allegheny League of Municipalities (ALOM) Conference*; *The Scott Township Annual Public Safety Day*; *The Cochran Hall Annual Cookout*; *The Scott Township Annual Oktoberfest*; *The Scott Township Annual E-Waste Recycling Event*; *The Scott Township Annual Toys For Tots Campaign*; *The Scott Township Annual Christmas Tree Lighting Ceremony*; and *The Cochran Hall Christmas Luncheon*.

In conclusion, I am pleased to report that during the January 2018 re-organizational meeting of the Scott Township Board of Commissioners, a majority of my colleagues elected me to fulfill a (2) year term as President. In that role, I pledge to be fair, honest, and considerate of my fellow Commissioners, and their constituents. I further pledge to be fiscally conservative and to identify cost savings methods and more efficient methods of operation.

If I can answer questions or help with township problems, please call me at (412) 279-9563 or e-mail me at: fbruckner.stwp@gmail.com.

Code Enforcement

When you are spring cleaning, keep in mind that it is unlawful to have unsightly debris or junk in your yard or around your property. It is also illegal to have unregistered or uninspected vehicles on your property.

Haul away bags or dumpsters can be placed on your property for clean up or a construction project for a maximum of **10 days**.

PODS are a convenient way to pack your belongings for storage elsewhere. Again, they can be on your property for a maximum of **10 days**. You **cannot** use trailers for storage on your property.

Parking on your lawn or in your yard is illegal and the Police Department and Code Enforcement are working together to step up enforcement. Officers will be looking for illegally parked cars evenings and week-ends and furnishing the information to the Code Enforcement Office.

Rental Properties

Under PA Act 21, effective June 1, 2015 owners of all rental properties will be required to install carbon monoxide detectors. This will become part of the inspection process.

Recycling

Please place your recyclables in the bin with the lid opening toward the street with a minimum of three feet between each container and other objects. Do not park your vehicle near the container. Do not leave additional recycling on top of the lid or beside the bin. The truck has a mechanical arm that reaches the bin so it is very important that you follow the placement instructions. Wrongful placement of the recycling container will result in being left on your property.

Winter Days

During the winter season please do not plow the snow from drive-ways or other property areas onto the streets and public ways as reflected in Ordinance #1486-01. Not following the Ordinance makes it difficult for our Public Works staff to remove all the snow off our streets properly. In addition, please be aware that snow must be removed within 24 hours of a snow fall from all property owned areas.

SCOTT TOWNSHIP POLICE DEPARTMENT

Serving Scott Township and Rosslyn Farms

Society has changed so much over the last 30 years with evolving technology and emerging social media trends. As Police Officers we must adapt to these changes to protect our Residents.

TIMES CHANGE AND SO DO THE POLICE

Our Promise **'WE'LL BE THERE'**

What does it mean?

Our Department Motto is found throughout the Police Department, on our letterhead, throughout our policy manual, and on our cars. It's there to remind our citizens and the Officers of the Scott Township Police Department that our goal is to help people. It says we will be there in your time of need. It says we'll do our best to solve your problems. Remember, Police Officers are human beings, we may not always respond the way you want us to, or the way you expect. But we care, we will help and we will be there for you..... That's our promise, that's my promise.

BOWER HILL VFD

Non-emergency number is 412-221-3497
e-mail address is bhvfd255@yahoo.com
Website: www.bowerhillfire.com

Remember if you have a fire or medical emergency please call 9-1-1.

Bower Hill VFD is one of 3 Fire Departments that serve the over 17,000 Scott Township residents and businesses. Bower Hill is a completely volunteer fire department with approximately 40 members who can respond to calls for assistance from the residents and businesses, regardless the time of day.

Here are some ways that you can support Bower Hill so that we can continue to provide fire service to the residents and businesses of Scott Township.

SOME OF THE WAYS YOU CAN SUPPORT BOWER HILL VFD

1. BUY-A-BRICK — We are continuing to sell bricks that you can personalize as a recognition for your family, a remembrance of someone special, your organization or business. These bricks will be displayed on our building for everyone to see. If you are interested in the brick program please visit our website or email Brandon at bhvfd255.brick@gmail.com. Here is a sample of some of the bricks:

2. AMAZON — When you purchase an item on Amazon, go to Amazon Smile at www.smile.amazon.com and enter Bower Hill's name. We will receive a donation from Amazon based on what you have purchased.

3. UNITED WAY — Bower Hill VFD is a member of the United Way and our United Way Donor Number is 2341.

4. AMBULANCE MEMBERSHIP — By becoming a member of Bower Hill you can receive medically necessary ambulance transports and we will accept what your insurance carrier pays and not bill you for the balance of the ambulance transport. We provide ambulance services and transport whether you are or are not a member of Bower Hill.

5. DEPARTMENT MEMBERSHIP — Become a member! We have several positions that you might be able to fill. Not everyone in our department is an interior firefighter. Several members provide help on the exterior of the fire ground as well. Helping with many tasks involved in fighting a fire or at an accident scene. If you would like to talk to someone about joining please call 412-221-3497 and someone will contact you shortly. We supply the training you need at no financial cost to you!

We also participate in the CCAC FireVest scholarship education program for anyone attending CCAC, not necessarily involved in Fire Service education. Want to check out what we do? Please feel free to stop by the station on the 2nd, 3rd, and 4th Wednesday evenings of each month when we have drill. We start our training at 7:00 PM.

6. JUNIOR DEPARTMENT — We also have a Junior Fire Department Program for anyone ages 14 to 18. These juniors participate in the drills with the senior members (except for anything dealing with active fire) and take the same trainings as the senior members do at the Fire Training Academies in Allegheny or Washington Counties. Many of our Junior Members have pursued the Fire Service as a career, with some even getting their Associates or Bachelor's degree in the Fire Service. All of our current Line Officers have participated in Junior Fire Programs, many with Bower Hill.

DEPARTMENT OFFICERS:

We would like to introduce our Line and Executive Officers for 2018-2019:

Line Officers

Chief: John Levi
 Deputy Chief 1: Jason Dolence
 Deputy Chief 2: Deb Getsy
 Captain: Rob Losekamp
 Lieutenant 1: Joe Dryburgh
 Lieutenant 2: Brandon Mahr
 Chief Engineer: Stephen Getsy

Executive Officers

President: Robert Losekamp
 Vice President: Mike Briggs
 Secretary: Ceil Kitchen
 Treasurer: Deb Getsy
 Trustees: Justin Short
 Joe Dryburgh
 Katie Mahr

UPCOMING EVENTS

(additional events will be posted on our website www.bowerhillfire.com):

1. CRAFT FAIRS — We have several craft and vendor fairs scheduled throughout the coming year. Our next one is on Sunday, April 29, 2018 from 10:00 am to 3:00 pm at the fire department located at 161 Vanadium Road. We are also scheduling one in late July or early August (date to be announced – please check either our website or the township for the date), and our third one on Sunday November 11, 2018

2. GOLF OUTING — We have our annual golf outing in the fall of the year. Please check out our website www.bowerhillfire.com in the fall for date and time. We usually try to schedule this on a Sunday when the Steelers are off or have a late afternoon start. So come join us for a fun time with great prizes and good food. Again check our website www.bowerhillfire.com for the date and location of the outing.

3. OPEN HOUSE — Bower Hill sponsors an open house at the Fire Department each year during Fire Prevention Week. This year it will be on Sunday, October 7, 2018 from Noon to 4:00 PM. Come join us for an afternoon full of events, including trying on the equipment that we wear into fires and maybe even riding the fire engine.

4. SANTA VISITS — During December we travel with Santa on our Engine to Bower Hill's neighborhoods so that children can see Santa and tell him their wishes for Christmas. Date(s) for this will be posted on our website www.bowerhillfire.com as the holiday season approaches.

5. COMMUNITY EDUCATION — as part of the services we provide to the residents of Bower Hill we do several "Touch a Truck" events for schools, day care centers, etc. annually. We have even come to neighborhood Block Parties with one of our engines for "Touch a Truck". We are also available for other types of educational programs. Please call the station 412-221-3497 to talk to someone about these programs. We also participate in the Scott Township Public Safety Day and Octoberfest Events also.

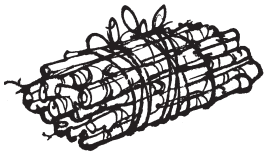

INFORMATIONAL ITEMS:

1. PHONE CALLS — Bower Hill Volunteer Fire Department DOES NOT make any phone calls to residents asking for financial support. Our only contact is by the mailings that we send in October and January regarding our membership program.

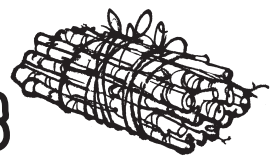

2. HOUSE NUMBERS — Check your house numbers and see if they are visible from the curb both night and day. This is vitally important in getting the right services to you when needed.

3. SMOKE ALARMS AND CARBON MONOXIDE DETECTORS — Please remember to change the batteries in both your smoke alarms and carbon monoxide detectors when you change your clocks. This will insure working alarms in your home. It is recommended that you replace your smoke and carbon monoxide detectors every 7 to 10 years.

**Thank you for your continued support
of Bower Hill VFD.**

Stormwater Pollution Solutions

Residential

Recycle or properly dispose of household products that contain chemicals, such as insecticides, pesticides, paint, solvents, and used motor oil and other auto fluids.

Don't pour them onto the ground or into storm drains.

Lawn care

Excess fertilizers and pesticides applied to lawns and gardens wash off and pollute streams. In addition, yard clippings and leaves can wash into storm drains and contribute nutrients and organic matter to streams.

- ◆ Don't overwater your lawn. Consider using a soaker hose instead of a sprinkler.
- ◆ Use pesticides and fertilizers sparingly. When use is necessary, use these chemicals in the recommended amounts. Use organic mulch or safer pest control methods whenever possible.
- ◆ Compost or mulch yard waste. Don't leave it in the street or sweep it into storm drains or streams.
- ◆ Cover piles of dirt or mulch being used in landscaping projects.

Septic systems

Leaking and poorly maintained septic systems release nutrients and pathogens (bacteria and viruses) that can be picked up by stormwater and discharged into nearby waterbodies. Pathogens can cause public health problems and environmental concerns.

- ◆ Inspect your system every 3 years and pump your tank as necessary (every 3 to 5 years).
- ◆ Don't dispose of household hazardous waste in sinks or toilets.

Auto care

Washing your car and degreasing auto parts at home can send detergents and other contaminants through the storm sewer system. Dumping automotive fluids into storm drains has the same result as dumping the materials directly into a waterbody.

- ◆ Use a commercial car wash that treats or recycles its wastewater, or wash your car on your yard so the water infiltrates into the ground.
- ◆ Repair leaks and dispose of used auto fluids and batteries at designated drop-off or recycling locations.

Pet waste

Pet waste can be a major source of bacteria and excess nutrients in local waters.

- ◆ When walking your pet, remember to pick up the waste and dispose of it properly. Flushing pet waste is the best disposal method. Leaving pet waste on the ground increases public health risks by allowing harmful bacteria and nutrients to wash into the storm drain and eventually into local waterbodies.

Education is essential to changing people's behavior. Signs and markers near storm drains warn residents that pollutants entering the drains will be carried untreated into a local waterbody.

Residential landscaping

Permeable Pavement—Traditional concrete and asphalt don't allow water to soak into the ground. Instead these surfaces rely on storm drains to divert unwanted water. Permeable pavement systems allow rain and snowmelt to soak through, decreasing stormwater runoff.

Rain Barrels—You can collect rainwater from rooftops in mosquito-proof containers. The water can be used later on lawn or garden areas.

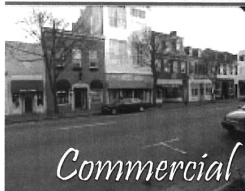

Rain Gardens and Grassy Swales—Specially designed areas planted with native plants can provide natural places for

rainwater to collect and soak into the ground. Rain from rooftop areas or paved areas can be diverted into these areas rather than into storm drains.

Vegetated Filter Strips—Filter strips are areas of native grass or plants created along roadways or streams. They trap the pollutants stormwater picks up as it flows across driveways and streets.

Commercial

Dirt, oil, and debris that collect in parking lots and paved areas can be washed into the storm sewer system and eventually enter local waterbodies.

- ◆ Sweep up litter and debris from sidewalks, driveways and parking lots, especially around storm drains.
- ◆ Cover grease storage and dumpsters and keep them clean to avoid leaks.
- ◆ Report any chemical spill to the local hazardous waste cleanup team. They'll know the best way to keep spills from harming the environment.

Erosion controls that aren't maintained can cause excessive amounts of sediment and debris to be carried into the stormwater system. Construction vehicles can leak fuel, oil, and other harmful fluids that can be picked up by stormwater and deposited into local waterbodies.

- ◆ Divert stormwater away from disturbed or exposed areas of the construction site.
- ◆ Install silt fences, vehicle mud removal areas, vegetative cover, and other sediment and erosion controls and properly maintain them, especially after rainstorms.
- ◆ Prevent soil erosion by minimizing disturbed areas during construction projects, and seed and mulch bare areas as soon as possible.

Construction

Agriculture

Lack of vegetation on streambanks can lead to erosion. Overgrazed pastures can also contribute excessive amounts of sediment to local waterbodies. Excess fertilizers and pesticides can poison aquatic animals and lead to destructive algae blooms. Livestock in streams can contaminate waterways with bacteria, making them unsafe for human contact.

- ◆ Keep livestock away from streambanks and provide them a water source away from waterbodies.
- ◆ Store and apply manure away from waterbodies and in accordance with a nutrient management plan.
- ◆ Vegetate riparian areas along waterways.
- ◆ Rotate animal grazing to prevent soil erosion in fields.
- ◆ Apply fertilizers and pesticides according to label instructions to save money and minimize pollution.

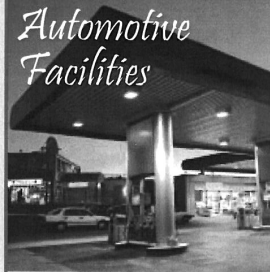

Forestry

Improperly managed logging operations can result in erosion and sedimentation.

- ◆ Conduct preharvest planning to prevent erosion and lower costs.
- ◆ Use logging methods and equipment that minimize soil disturbance.
- ◆ Plan and design skid trails, yard areas, and truck access roads to minimize stream crossings and avoid disturbing the forest floor.
- ◆ Construct stream crossings so that they minimize erosion and physical changes to streams.
- ◆ Expedite revegetation of cleared areas.

Automotive Facilities

Uncovered fueling stations allow spills to be washed into storm drains. Cars waiting to be repaired can leak fuel, oil, and other harmful fluids that can be picked up by stormwater.

- ◆ Clean up spills immediately and properly dispose of cleanup materials.
- ◆ Provide cover over fueling stations and design or retrofit facilities for spill containment.
- ◆ Properly maintain fleet vehicles to prevent oil, gas, and other discharges from being washed into local waterbodies.
- ◆ Install and maintain oil/water separators.

RECYCLING COLLECTION PROGRAM

Curbside recycling service is provided every other week to residents. Your week depends on your location and will not change in 2018. Please see the attached street listing and calendar as a reminder of your service day and recycling week.

Great things happen when you Recycle Often. Recycle Right.SM By recycling everyday items like those listed below, raw materials, time, energy and money are saved.

- Recycling will be collected every-other-week. Place only the acceptable recyclables listed below in your recycling cart – no sorting needed.
- Containers that held food should be rinsed free from food debris and liquid.
- Do not put recyclables in plastic bags.

ACCEPTABLE MATERIALS:

- Aluminum Cans
- Steel Cans
- Corrugated Cardboard – broken down so it is flat and no more than 3 feet in length or width and tied in a bundle
- Glass bottles and jars
- Plastic Bottles and Containers
- Office Paper
- Newsprint and Inserts
- Magazines & Catalogs
- Phonebooks
- Cartons

NOT ACCEPTABLE MATERIALS

- Plastic Bags
- Plastic Wrapping Film
- Aerosol Containers
- Styrofoam Materials
- Tires
- Electronics
- Plate Glass, Pyrex or Window Glass
- Diapers
- Ceramics or Dishware
- Mirrors
- Light Bulbs
- Plastic Utensils
- Boards
- Rubber hose
- Metal or plastic hangers

To refocus and reinforce the ways in which libraries can support Pennsylvanians in leading successful, productive lives, the Pennsylvania Library Association is pleased to introduce this new statewide initiative.

PENNSYLVANIA LIBRARIES

1 Basic Literacy

Libraries can push Pennsylvania to achieve one of the highest literacy rates in the country, a trained and skilled workforce, and a growing economy, tax base, and population.

2 Information Literacy

Libraries can help all Pennsylvanians learn how to use online resources and current technology to improve their education, to enhance their job skills, to develop their personal lives, and to fully participate in a digital society.

3 Civic & Social Literacy

Libraries can play an important role in helping citizens have the knowledge and skills they need to improve their lives, to participate and contribute effectively to their community, government, and society, and to connect with one another through discourse.

4 Health Literacy

Libraries can play an important role in helping citizens manage their own and their family's well-being, and empower them to be effective partners with their healthcare providers so they can live longer, more productive lives.

5 Financial Literacy

Libraries can help citizens become informed consumers and guide individuals, small businesses, and other organizations to contribute to the economic vitality of their community through innovation, entrepreneurship, and economic development.

Understand the potential in your library.

PA FORWARD

2018 "SRC" Summer Reading Club

Join us all summer for special events, programs, guests, and prizes to celebrate summer reading!

- Friends of the Library (FoL) -

Over the years, the Friends have given the library many of the items to help it become what it is today.

All library users are encouraged to become a member of the FoL.

PUBLIC SAFETY DAY

Saturday June 9, 2018 - 10am - 2pm

Please join us for our Public Safety Day on Saturday, June 9, 2018 from 10AM to 2PM at the lower area of Scott Park. As always, we plan events which will interest the whole family. Participating will be all three Scott Township fire departments, the Scott Township Police Department, plus our STEMS and EMS departments.

Events planned include:

- Life Flight helicopter landing
- Jaws of life demonstration
- Smoke Simulator House, DUI simulators
- The SWAT Team
- Bicycle safety program & inspections (bring your bike)
- Child fingerprinting, car seat inspections
- Blood pressure checks
- 911 van, Fire Marshall
- DUI simulators
- A Taser display
- "Pluggy", Kid's Training House
- Fire extinguisher training
- Advice on identity theft, internet scams and credit card fraud.
