Review and discussion of section 3-104.11 Billboards Signs of the Zoning Ordinance

The Planning Commission discussed some recommended changes. Mr. Vogel will make all changes discussed and provide an updated ordinance for the next Planning Commission meeting scheduled for Wednesday, May 1, 2019.

Mr. Fischer reminded the Planning Commission that according to Scott Township's Zoning Ordinance (Article #5 Nonconformities), modifications to any nonconforming billboard, that impacts more than 50% of the billboard or has a cost that exceeds 50% of the value, would no longer be approved as a nonconforming structure. With that being said, plans to substantially modify or rebuild a nonconforming billboard would require a variance from the Zoning Hearing Board in order to remain.
