## FROM THE TOWNSHIP MANAGER

To the Residents of Scott Township:

COVID-19 will reshape our world and we are diligently working to keep our employees and the residents of Scott Township in a safe environment as we continue to follow CDC guidelines. Please continue to maintain 6ft. social distancing and wear a mask.

Due to the COVID restrictions placed upon us last year and the unknown, we decided to delay a number of projects to 2021. We have a number of projects slated for 2021, including storm sewer improvements to be in compliance with MS4 and N. Wren totaling \$1,804,910. The 2021 road program including Lindsay Road repairs total \$755,000. We budgeted \$1,050,000 in sanitary sewer projects in the Township for 2021 as well.

This issue of the Scott Township News will focus on upcoming events, usual seasonal issues, as well as provide you with some useful information regarding the most recent legislation of general interest to our Scott Township residents. I hope this issue of the newsletter is both informative and helpful to you.

Denise H. Fitzgerald  
Township Manager

# SCOTT TOWNSHIP POLICE DEPARTMENT

*Serving Scott Township and Rosslyn Farms*

MATTHEW PODSIADLY, CHIEF OF POLICE

If you're certain that you have a non-emergency and just need information, call 412.279.6911. Calling this number will connect you to a police officer in your area.

## Meet our new Chief of Police

Matthew Podsiadly is the Chief of the Scott Township Police Department. In this position, he is responsible for the leadership and management of the police department which is comprised of 21 sworn officers. His responsibilities include decision making, policy making and implementation, budgeting and purchasing, communication with other Township officials, and overseeing day to day operations of the police department.

Chief Podsiadly believes that the values of the police department are that of Courage, Commitment, Honor, Integrity, and Professionalism. These are the tenets of his leadership of the department and guide his expectations of the officers and their service to the residents and businesses of Scott Township. He believes that the police department is a source of pride for those in the community and intends to maintain the same level of service to the community during his command as they have previously come to expect.

Chief Podsiadly is a native of McKees Rocks and a graduate of Sto-Rox High School. He started his career in the Metro Atlanta, GA area in 1999 where he was quickly exposed to high crime and an extensive workload. Some of his experiences included extensive work with drugs and gangs within the city. In addition to these experiences, he was an Advisor for the Explorer program where he served as a mentor for youth interested in a career in law enforcement. He returned to the Pittsburgh area and worked briefly in Robinson Township before finding his home in Scott Township in May of 2004. In his tenure with Scott Township, Chief Podsiadly worked primarily in patrol both as a Patrolman then later as a Sergeant. He was a member of the District Attorney's Office Narcotics Task Force which investigates drug offenses. Chief Podsiadly is a MPOETC certified general instructor as well as an instructor in the application of force. In this capacity he is certified by the state to instruct courses to officers and recruit classes in the police academies. He is currently sponsored as an instructor by the Allegheny County Police Training Academy.

Chief Podsiadly is a graduate of the 256<sup>th</sup> session of the FBI National Academy and the first officer in Scott Township to be invited to attend. He is also a recipient of the Trilogy Award through FBI-LEEDA for leadership training and a graduate of Police Executive Leadership training through Penn State University. In addition to these notable leadership schools, Chief Podsiadly has attended numerous other leadership-based training opportunities. He is actively pursuing his Bachelor of Science degree in Organizational Leadership from Colorado State University. Chief Podsiadly is also a member of several professional Chief organizations.

The department's Act 120 staff includes it's Chief of Police, 4 Sergeants, 15 Patrol Officers, and 1 Detective. The Scott Township Police Department responds to all 9-1-1 emergency calls as well as non-emergency police calls 24 hours a day, 365 days a year, and logs approximately 7,500 calls for service annually.

Please keep in mind that it is a violation to park on the sidewalks. In the Glendale area there are some streets that we are more lenient on due to the narrow street widths. On these streets we do permit 2 vehicle wheels to be on the sidewalk, but if the sidewalk is blocked to the point that it inhibits pedestrian traffic, the vehicle will be ticketed and/or towed. Parking on the sidewalk on Carothers is not permitted.

## Please No Dogs Allowed in Our Public Parks

On September 14, 1971 the Township of Scott passed an Ordinance (#823), prohibiting the walking of dogs or the bringing of dogs into the Township Parks and Parklets.

**Thank You!**

# CODE ENFORCEMENT IS VITAL TO COMMUNITY DEVELOPMENT

Did you know that Scott Township administers and enforces Pennsylvania's statewide building code, generally known as the Uniform Construction Code (UCC)? Enforcement of the UCC actually began in April 2004. The current applicable codes are the 2015 International Codes issued by the International Code Council, and the provisions amended by the UCC Review & Advisory Council.

**So, what does this mean to you as a home owner wanting to make improvements to your property?????**

Building permits are required for all improvements regulated by the Pennsylvania Uniform Construction Code. Zoning Permits are required for all work regulated by the Scott Township Zoning Ordinance.

**Spring cleaning** is right around the corner; please keep in mind that it is unlawful to have unsightly debris or junk in your yard or around your property. It is also illegal to have an unregistered or uninspected vehicle(s) on your property.

Construction bags or dumpsters can be placed on your property for clean up or a construction project for a maximum of 3 days or for a maximum of 30 days when a building permit is issued. PODS are a convenient way to pack your belongings for storage elsewhere. PODS are also permitted to remain on your property for a maximum of 3 days or for a maximum of 30 days when a building permit is issued. You cannot use trailers for storage on your property.

## Rental Property Inspections

Under PA Act 21, effective June 1, 2015 owners of all rental properties will be required to install carbon monoxide detectors and obtain a rental inspection. Rental life safety inspections are required each time a new tenant moves in and an annual Certification is required for all rental property in the Township which includes a fee of \$25.00 per dwelling unit.

## WORK THAT REQUIRES A ZONING PERMIT, BUT NO BUILDING PERMIT

- One-story detached accessory structures used as tool and storage sheds, greenhouses, playhouse, detached private garage and similar uses, provided the floor area does not exceed 1000 square feet and they are accessory to a single-family or two-family dwelling.
- Prefabricated swimming pools accessory to a single-family or two-family dwelling that are less than 24" deep, do not exceed 5,000 gallons and are installed entirely above grade.
- Retaining walls 4'-0" or less in height, measured from the lowest level of grade to the top of the wall, unless supporting a surcharge (such as, but not limited to, a slope, driveway, patio or swimming pool) or impounding Class I, II or IIIA liquids.
- Sidewalks, parking pads, patios and driveways not more than 30 inches above adjacent grade, and not over any basement or story below grade and not part of an accessible route.
- Fences 6 feet or less in height.
- Uncovered decks where the deck floor is 30 inches or less above grade and are accessory to a single-family or two-family dwelling.
- Carports (open on at least two sides and not attached to the dwelling)

Building permits MUST be obtained 30 days prior to the project start date and a completed Scott Township Verification of Tax Payments form MUST also be included in the application. Applications are available on the Scott Township website under the Code Enforcement tab. All submittals are required to include the application/building permit fee. Incomplete submittals will not be processed.

## WORK THAT DOES NOT REQUIRE A PERMIT

- Window awnings that are attached to a single-family dwelling, two-family dwelling or Group U occupancy structure, are supported by an exterior wall and do not project more than 54 inches from the exterior wall.
- Movable cases, counters and partitions that are not over 5 feet 9 inches in height.
- Painting, papering, tiling, carpeting, cabinets, counter-tops and similar finish work.
- Window and door replacement that does not require structural modifications to the wall or framing.
- Installation of aluminum or vinyl siding onto an existing residential or an existing commercial building.
- Alterations and repairs to residential buildings which do not make structural changes or changes to means of egress.

**Please note that the Allegheny County Health Department's Plumbing Division inspects and permits all new or modified residential and commercial plumbing installations to assure compliance with the Health Department's Plumbing Code. Scott Township requires proof of inspection and compliance prior to issuing any Occupancy Permits for all projects that require plumbing permits.**

## OFFICIAL TOWNSHIP BUSINESS

- Adopted Ordinance on the 28th day of January, 2020, an Ordinance of the Township of Scott, County of Allegheny, Commonwealth of Pennsylvania, agreeing to provide police services to the Borough of Rosslyn Farms through December 31, 2021.
- Adopted Ordinance on the 25th day of February, 2020, an Ordinance of the Township of Scott, County of Allegheny, Commonwealth of Pennsylvania, amending the Township Zoning Ordinance, Ordinance 1620-15, issuing new standards and procedures regulating signs, including permitted uses, placement and heights of signs, provisions on electronic message signs, billboard signs (including size, height, construction methods, maintenance and permits), and alteration, improvement, replacement and discontinuance of nonconforming signs.

## FEBRUARY 2021

- Adopted Resolution on the 23rd day of February, 2021, a Resolution of the Township of Scott, County of Allegheny, Commonwealth of Pennsylvania, amending and modifying the schedule of fees codified in the code of the Township of Scott as Chapter 13 (Licenses, Permits and general business regulations), Part 9 (Land Use Fees), Section 901.

## PEST ALERTS

### Outdoor Recommendations:

- Avoid having a bird feeder.
- Keep outdoor grills and cooking areas clean.
- Keep firewood off the ground and as far away from structures as possible.
- Maintain at least a 2-foot space between bushes and shrubs.

### Indoor Recommendations:

- Opt for garbage bins and compost containers with a top that seals tightly.
- Do not leave pet food or water out overnight.
- Repair leaky pipes.
- Maintain attic, crawl spaces, and cabinets.

# BOWER HILL VFD

Non-emergency number is 412-221-3497 • e-mail address is bhvfd2552yahoo.com • www.bowerhillfire.com

**Remember if you have a fire or medical emergency please call 9-1-1.**

Bower Hill VFD is one of 3 Fire Departments (Glendale and East Carnegie are the other departments serving Scott Township) that serve the over 17,000 Scott Township residents and businesses.

Bower Hill is a completely volunteer fire department with approximately 40 members who respond to calls for assistance from the residents and businesses, regardless the time of day.

## **Here are some statistics about the calendar year 2020 for Bower Hill VFD**

Because of COVID19 we had to curtail many of our events, including training, the number of hours has been greatly reduced from other years.

1. 309 calls requesting assistance these include fires, car crashes, odor investigations and other requests. These requests average 8 members per call with most calls lasting about 2 hours so that means we volunteered 3,104 hours.
2. 750 total hours of training. Because of COVID19 our training had to be cancelled for several months causing a reduction in training hours. This total includes classes taken by members outside of our normal Wednesday evening in-house training.
3. 3,854 hours is the total of hours donated to the Scott Township residents and businesses by our volunteers.
4. These 3,854 hours do not include the countless hours spent providing public service programs for the residents and businesses of Bower Hill and other areas of Scott Township.

## **EQUIPMENT UPGRADES**

**FIRE FIGHTING EQUIPMENT:** We are continually upgrading our equipment to the standards set by the National Fire Protection Association (NFPA) to be sure that our responding members are wearing/using the appropriate and necessary clothing/equipment. Did you know that it costs about \$11,000.00 to properly outfit a firefighter, including the breathing apparatus that they wear? The money to cover some of this equipment is received from grants and the residents and businesses by their support with the Bower Hill VFD membership drive and their donations. We are hoping this year for a grant to replace some of our breathing equipment.

## **HOW CAN YOU HELP US HELP YOU?**

Here are some ways that you can support Bower Hill Volunteer Fire Department so that we can continue to provide fire service to the residents and businesses of Scott Township.

1. **AMAZON PURCHASES** - When you purchase an item on Amazon, go to Amazon Smile at [www.smile.amazon.com](http://www.smile.amazon.com) and enter Bower Hill's name. We will receive a donation from Amazon based on what you have purchased.
2. **UNITED WAY** - Bower Hill VFD is a member of the United Way and our United Way Donor Number is 2341.
3. **AMBULANCE MEMBERSHIP** - By becoming a member of Bower Hill you can receive medically necessary ambulance transports and we will accept what your insurance carrier pays and not bill you for the balance of the ambulance transport. We provide ambulance services and transport whether you are or are not a member of Bower Hill. If you are in a neighboring community that accepts our membership and need transport by ambulance that service will accept you as a member of that service.

**4. DEPARTMENT MEMBERSHIP** Become a member! We have several positions that you might be able to fill. Not everyone in our department is an interior firefighter. Several members provide help on the exterior of the fire ground as well. Helping with many tasks involved in fighting a fire or at an accident scene. During this past year we have added several new members to the department both Senior (over 18 years of age) and junior (ages 14-18) members. If you would like to become a member or just see what we do please contact our Recruitment Committee by phone (412-221-3497) or via email at [Recruitment.bhvfd@gmail.com](mailto:Recruitment.bhvfd@gmail.com). If you would be interested in seeing what we do we hold (COVID restrictions) hold our drills on the second and third Wednesday evenings of each month beginning at 7:00 PM.

**5. BUY A BRICK** We still have spaces in our memorial garden for additional bricks. This is a way to support Bower Hill VFD but to add to your family history in Scott Township. Please email us at [bhvfd255@yahoo.com](mailto:bhvfd255@yahoo.com) and we will send you out the information on buying a brick.

## **INFORMATIONAL ITEMS:**

**1. PHONE CALLS** - Bower Hill Volunteer Fire Department DOES NOT make any phone calls to residents asking for financial support. Our only contact is by the mailings that we send in October and January regarding our membership program.

**2. HOUSE NUMBERS** - Check your house numbers and see if they are visible from the curb both night and day. This is vitally important in getting the right services to you when needed.

**3. SMOKE ALARMS AND CARBON MONOXIDE DETECTORS** - Please remember to change the batteries in both your smoke alarms and carbon monoxide detectors when you change your clocks. This will insure working alarms in your home. It is recommended that you replace your smoke alarms and carbon monoxide detectors every 7 to 10 years. There are recommended expiration dates on the detectors. If yours does not have an expiration date, then it should be replaced.

**4. FIRE HYDRANTS** - With the snows that we have experienced earlier in the season it is vitally important to keep the area around fire hydrants, clear of snow at least 36" in diameter and allowing approximately 60" on the street side of the hydrant for connection to the fire engine.

## **UPCOMING EVENTS**

Because of COVID19 all of Bower Hill VFD's events for 2020 had to be cancelled. We are hoping to have some returning and some new events in 2021. During all of these events we will be observing the COVID19 rules and socially distancing. We are hoping to hold a Craft Fair probably in late summer, our Golf outing is in the works for hopefully September, our Open House in October and Santa visiting in December, as well as some of our Community Outreach (Touch-a-Truck and other programs).

# The Department of Public Works

2600 Old Greentree Road; Scott Township, PA, 15106  
Director of Public Services (412) 276-4656 Public Works Foreman  
Thomas Kelley Bert Smelko

The mission of the Department of Public Works is to provide the residents of Scott Township with safe and well maintained transportation, recreation, sanitation and storm water infrastructures. Our maintenance services are directed towards enhancing and improving the conditions of our roads, bridges, park facilities, public buildings, and sewage conveyance systems. The department's services are augmented through contracts to repair or replace deteriorated or malfunctioning sewage assets, and an annual roadway paving project. In the spring and summer our efforts are concentrated on roads and parks maintenance as well as catch basin and sewer line cleaning. In the fall the department provides community wide leaf and branch pickup programs. In the winter the department's assets are directed towards snow and ice removal from Township streets. Currently we are working with the Township Engineer to implement a geographical information system to assist us in managing our human, material and infrastructure assets.

In the coming months the Township of Scott will provide an outline on the website for the 2021 Roadway Improvements Projects. When the construction season starts please go to the website for updates.

Please reference page 10 for the Scott Township's 2021 Leaf waste schedule.

**Snow Removal:** In accordance with Ordinance #1486-01, residents are reminded that it is an offense to deposit snow or ice on a roadway. Snow pushed or blown onto a road creates a hazard to both vehicles and snow removal equipment and can interfere with water flow in ditches.

- Keep parked cars off the street during snowfalls. Snow removal crews need to be able to remove snow from the entire roadway.
- Be patient during a heavy snowfall. The snow removal plan prioritizes major roads and streets as well as hazardous intersections. The crews will clear your street as quickly as possible.
- If you notice a hazardous section of Township road, please report it to the Police Department or the Township Administration Office.

**Safe Digging:** What is that? - We often receive calls from residents inquiring about lines painted on the streets, curbs and grass, and marker flags stuck in the ground. The line painting and flags are placed by the Public Works Department and the public utilities companies and represent the locations of buried utility lines. In 1974 the Commonwealth of Pennsylvania adopted the Underground Utility Line Protection Act (PA Act 287) to protect the public health and safety by preventing excavation or demolition work from damaging underground lines used in providing electricity, communications, gas, oil delivery, oil product delivery, sewage, water or other service. In Pennsylvania there are over 25,000 miles of underground lines and pipes. The Township alone maintains more than 50 miles of sanitary sewage lines and 25+ miles of storm water lines. The Public Utility

Commission reported that there are over 6,000 incidents per year of contractors and homeowners striking and damaging buried utility lines. Many of these incidents result in injury and death and most are preventable. As a facility owner, The Township's Public Works Departments responds to every one call ticket filed in the Township by contractors, Public Utility Company and residents. Last year we marked and cleared over 900 one call tickets filed in the Township.

If you or your contractor plans to use power equipment to dig on your property make sure that you call PA One Call at 811 before you start. Digging in the marked areas should be avoided. If you smell natural gas or break a water line call 911 immediately. To find out more about PA One Call visit their website at: <https://www.pa1call.org/>.

**Dye Testing Requirements:** If you are planning to sell, refinance, transfer or assign ownership of your home, you will need to have a Dye Test performed before the Township will release a Municipal No Lien Letter. The Municipal No Lien Letter is prepared by the Tax Office and certifies that Township and School District property taxes and sanitary sewer fees have been paid.

Federal, state and county regulatory agencies require local municipalities to adopt and fund plans and improvements to reduce and eventually eliminate the flow of stormwater into sanitary systems. A portion of the Townships plan is outlined in Ordinance NO. 1427-97 of 1997.

**What is a Dye Test?** Dye testing involves placing a non-staining water soluble dye tablet in the drain or downspout of your property and flushing it with water. The manhole located on the Township's sanitary sewer line that serves your property is then examined for the appearance of traces of dyed water. A dye test is used to verify if the gutters, driveway drains, yard drains, or other stormwater collection devices are connected to a sanitary sewer that is intended to carry raw sewage only. This type of connection is not allowed and must be fixed before the sale of a property. An approved dye test is good for two years. Refinancing requires a dye test.

#### How do I arrange for a Dye Test?

You must contact the Township to obtain an Application and Letter of Compliance (Application). To obtain the required Application property owners must call the Compliance Officer at 412-276-5300 ext. 218 or submit an online request available at Dye Test Application | Scott Township. Once the request has been received the Compliance Officer will prepare Section 1 of the Application and provide information for Section 2 on the location (including a map) of the manhole that the plumber will monitor during the dye test. After 5 to 7 business days the property owner or a licensed plumber who will be performing the dye test may pick up the Application on the second floor of the Township Building, 301 Lindsay Rd., Carnegie PA 15106.

Visit [www.scott-twp.com](http://www.scott-twp.com) for construction project updates.

## Scott Township residents vote at the following locations:

Ward 1.....	District 1 & 2.....	Polish American Citizens Club - 811 Paul St.
Ward 2.....	District 1 & 2.....	Scott Park Community Room - 2 Park Dr.
Ward 3.....	District 1 & 2.....	Berean Fellowship Church - 300 Rockfield Circle
Ward 4.....	District 1 & 2.....	Our Lady of Grace Church Keefer Hall - 310 Kane Blvd.
Ward 5.....	District 1.....	Scott Township Municipal Building - 301 Lindsay Rd.
	District 2.....	Chartiers Valley Intermediate School - 2030 Swallow Hill Rd.
Ward 6.....	District 1 & 2.....	Covenant Community Presbyterian Church - 1630 Greentree Rd.

	District 2.....	Chartiers Valley Intermediate School - 2030 Swallow Hill Rd.

**Please don't wait until election day to register to vote!**  
**If you've just moved, changed your name, or turned 18 - go to [www.usa.gov/register-to-vote](http://www.usa.gov/register-to-vote)**

# Stormwater Pollution Solutions

## Residential

*Recycle or properly dispose of household products that contain chemicals, such as insecticides, pesticides, paint, solvents, and used motor oil and other auto fluids.*

*Don't pour them onto the ground or into storm drains.*

### Lawn care

Excess fertilizers and pesticides applied to lawns and gardens wash off and pollute streams. In addition, yard clippings and leaves can wash into storm drains and contribute nutrients and organic matter to streams.

- ◆ Don't overwater your lawn. Consider using a soaker hose instead of a sprinkler.
- ◆ Use pesticides and fertilizers sparingly. When use is necessary, use these chemicals in the recommended amounts. Use organic mulch or safer pest control methods whenever possible.
- ◆ Compost or mulch yard waste. Don't leave it in the street or sweep it into storm drains or streams.
- ◆ Cover piles of dirt or mulch being used in landscaping projects.

### Septic systems

Leaking and poorly maintained septic systems release nutrients and pathogens (bacteria and viruses) that can be picked up by stormwater and discharged into nearby waterbodies. Pathogens can cause public health problems and environmental concerns.

- ◆ Inspect your system every 3 years and pump your tank as necessary (every 3 to 5 years).
- ◆ Don't dispose of household hazardous waste in sinks or toilets.

### Auto care

Washing your car and degreasing auto parts at home can send detergents and other contaminants through the storm sewer system. Dumping automotive fluids into storm drains has the same result as dumping the materials directly into a waterbody.

- ◆ Use a commercial car wash that treats or recycles its wastewater, or wash your car on your yard so the water infiltrates into the ground.
- ◆ Repair leaks and dispose of used auto fluids and batteries at designated drop-off or recycling locations.

### Pet waste

Pet waste can be a major source of bacteria and excess nutrients in local waters.

- ◆ When walking your pet, remember to pick up the waste and dispose of it properly. Flushing pet waste is the best disposal method. Leaving pet waste on the ground increases public health risks by allowing harmful bacteria and nutrients to wash into the storm drain and eventually into local waterbodies.

*Education is essential to changing people's behavior. Signs and markers near storm drains warn residents that pollutants entering the drains will be carried untreated into a local waterbody.*

## Residential landscaping

**Permeable Pavement**—Traditional concrete and asphalt don't allow water to soak into the ground. Instead these surfaces rely on storm drains to divert unwanted water. Permeable pavement systems allow rain and snowmelt to soak through, decreasing stormwater runoff.

**Rain Barrels**—You can collect rainwater from rooftops in mosquito-proof containers. The water can be used later on lawn or garden areas.

**Rain Gardens and Grassy Swales**—Specially designed areas planted with native plants can provide natural places for

rainwater to collect and soak into the ground. Rain from rooftop areas or paved areas can be diverted into these areas rather than into storm drains.

**Vegetated Filter Strips**—Filter strips are areas of native grass or plants created along roadways or streams. They trap the pollutants stormwater picks up as it flows across driveways and streets.

## Commercial

Dirt, oil, and debris that collect in parking lots and paved areas can be washed into the storm sewer system and eventually enter local waterbodies.

- ◆ Sweep up litter and debris from sidewalks, driveways and parking lots, especially around storm drains.
- ◆ Cover grease storage and dumpsters and keep them clean to avoid leaks.
- ◆ Report any chemical spill to the local hazardous waste cleanup team. They'll know the best way to keep spills from harming the environment.

Erosion controls that aren't maintained can cause excessive amounts of sediment and debris to be carried into the stormwater system. Construction vehicles can leak fuel, oil, and other harmful fluids that can be picked up by stormwater and deposited into local waterbodies.

- ◆ Divert stormwater away from disturbed or exposed areas of the construction site.
- ◆ Install silt fences, vehicle mud removal areas, vegetative cover, and other sediment and erosion controls and properly maintain them, especially after rainstorms.
- ◆ Prevent soil erosion by minimizing disturbed areas during construction projects, and seed and mulch bare areas as soon as possible.

## Construction

## Agriculture

Lack of vegetation on streambanks can lead to erosion. Overgrazed pastures can also contribute excessive amounts of sediment to local waterbodies. Excess fertilizers and pesticides can poison aquatic animals and lead to destructive algae blooms. Livestock in streams can contaminate waterways with bacteria, making them unsafe for human contact.

- ◆ Keep livestock away from streambanks and provide them a water source away from waterbodies.
- ◆ Store and apply manure away from waterbodies and in accordance with a nutrient management plan.
- ◆ Vegetate riparian areas along waterways.
- ◆ Rotate animal grazing to prevent soil erosion in fields.
- ◆ Apply fertilizers and pesticides according to label instructions to save money and minimize pollution.

## Forestry

Improperly managed logging operations can result in erosion and sedimentation.

- ◆ Conduct preharvest planning to prevent erosion and lower costs.
- ◆ Use logging methods and equipment that minimize soil disturbance.
- ◆ Plan and design skid trails, yard areas, and truck access roads to minimize stream crossings and avoid disturbing the forest floor.
- ◆ Construct stream crossings so that they minimize erosion and physical changes to streams.
- ◆ Expedite revegetation of cleared areas.

## Automotive Facilities

Uncovered fueling stations allow spills to be washed into storm drains. Cars waiting to be repaired can leak fuel, oil, and other harmful fluids that can be picked up by stormwater.

- ◆ Clean up spills immediately and properly dispose of cleanup materials.
- ◆ Provide cover over fueling stations and design or retrofit facilities for spill containment.
- ◆ Properly maintain fleet vehicles to prevent oil, gas, and other discharges from being washed into local waterbodies.
- ◆ Install and maintain oil/water separators.

# The Scott Conservancy

*Home to a natural woodland area with walking trails.*

If you like to watch birds, experience nature with a brisk walk in the woods, or just want to take your dog out for some morning exercise, the Kane Woods Nature Area located on Scrubgrass Road is the place to go. The nearly 80-acre nature preserve nestled in the heart of Scott Township is available for all residents to enjoy. A series of trails guide residents through the forest and meadows where they can see oak trees, a meandering stream, and plenty of wild turkey and

other woodland birds. Scott Conservancy volunteers maintain the Kane Woods for the enjoyment of the community and to preserve a woodland environment in the heart of our neighborhood. We welcome you to our trails and nature area and hope you will consider volunteering with the Scott Conservancy or making a donation to support the mission of preserving Scott Township's green space.

Three parking lots are available for visitors: A small one is the Whiskey Point Trailhead located at 1461 Scrubgrass Road directly across the Veteran's Memorial Bridge. The second, larger parking lot is the Scrubgrass Run Trailhead at 1459 Scrubgrass Road, and the third is the Jewish Commu-

Please visit [ScottConservancy.org](http://ScottConservancy.org) or call us to learn about Conservancy activities and how you can get involved, our phone number is 412-276-5300 x301. We maintain an Apiary and sell out local, raw honey as a fundraiser. Additionally, we hold an Annual Ducky Race 50/50 Raffle at Scott Pool on the Fourth of July as our biggest fundraiser of the year. We'd be thrilled to provide you with information about the Scott Conservancy, and we have a wonderful brochure and a trail map of the Kane Woods Nature Area which can be found at the website along with our event calendar. See you on the trail!

# Scott Township Public Library

301 Lindsay Road • Scott Township, PA 15106 • 412.429.5380 • [scottlibrary.org](http://scottlibrary.org)  
Mon.-Thur.: 10 AM-8 PM • Fri.: CLOSED • Sat.: 10 AM-2 PM • Sun.: CLOSED

## Ongoing Programs

We offer a variety of children's, teen, adult, and senior programming!

See [www.scottlibrary.org](http://www.scottlibrary.org) and our Facebook page for more information.

Cooking Club • Children's Storytimes • Book Club  
Technology Help • STEM Activities • Kids Trivia  
How-To Videos • Kids Cooking Club • Garden Group  
Take & Makes • Seasonal Arts & Crafts

## Library Pickup & Virtual Services

Due to COVID-19, your STPL is focused on pickup and virtual services. Visit [scottlibrary.org](http://scottlibrary.org) or call (412) 429-5380 for the most up to date information on library hours, programs, and services.

### Services Available:

- STPL Item Pickup: Pick up materials that have been requested by using the online Catalog or by calling the Library.
- STPL Print Pickup: Email your document, as a PDF attachment, to [scottprints@einetnetwork.net](mailto:scottprints@einetnetwork.net). Call the Library to arrange your pickup time.
- STPL Virtual Programs: Visit the website's Programs & Events tab for a listing of upcoming events and take & make kits. You can also find us on YouTube by searching "Scott Twp. Library." Enjoy access to children's storytimes, craft tutorials, science projects, cooking club recipes, how-to videos, garden videos, and much more.

## eLibrary

We encourage you to take advantage of the Library's many free eBooks, digital magazines, downloadable audiobooks, and other digital resources: [eLibrary.einetnetwork.net](http://eLibrary.einetnetwork.net)

Download free eBooks, audiobooks, and magazines through the Libby app: [libbyapp.com/welcome](http://libbyapp.com/welcome)

Download free movies, TV shows, audiobooks, comics, and music albums through the Hoopla app: [www.hoopladigital.com](http://www.hoopladigital.com)

## Resources

Did you know that these resources and many more are available to you for free with your library card? Check out these and more at: [eLibrary.einetnetwork.net](http://eLibrary.einetnetwork.net)

Offers homework help for grades K-12 and college students, as well as GED prep and writing skills for adult learners.

Includes information, articles, illustrations, activities, research help, maps, and videos on thousands of subjects for all learners.

Learn a new language! Mango teaches adults conversational skills for many different languages.

Offers an interactive language program for kids to learn Arabic, Chinese, English, French, German, Hebrew, Italian, Japanese, Russian, and Spanish.

Access articles on economics, health, public safety, and other research affecting consumers, from 1985-present.

## Friends of the Library (FoSTPL)

The Friends are in need of active support. This is an excellent way to give back to your community and advocate for your Library. We encourage all library users to become a member of the FoSTPL.

Over the years, the Friends of Scott Township Public Library have been very generous in their donations to the library. The FoSTPL has given the library many of the items to help it become what it is today.

## I want to support Scott Township Public Library!

We depend on your support to help fund our community library. Every dollar makes a difference!

If you don't have a library card, please give us a call to get yours today; they're free and we'd love to help you.

*Thank you for your generous support!*

## 2021 Summer Reading

Join us all summer for special events, programs, and prizes to celebrate summer reading!

This year's theme is Tails and Tales, and centers on animals and stories.

<b>8<sup>TH</sup> WARD</b> <b>Areas of</b> - St Clair Heights, Scrubgrass, and Kane Blvd.	FRIDAY	OCT 29, NOV 5, NOV 12, NOV 19, *(NOV 26), DEC 3
<b>3<sup>RD</sup> and 4<sup>TH</sup> WARD</b> <b>Areas of</b> - Bower Hill, Rock Hill, Somerville and Vanadium Rd.	MONDAY	OCT 25, NOV 1, NOV 8, NOV 15, NOV 22

\* (MAY 25) and (NOV 26) - Held over one week due to Memorial Day and Thanksgiving Holiday.

Leaves can only be placed in 30-gallon compostable paper bags and tree trimmings are to be bundled and tied with twine in manageable 3' to 4' foot lengths. Each bag and/or bundle to be picked up should not exceed 40 pounds.

\*\* Please contact the Scott Township Public Works Dept. at (412) 276-4656 if you need any additional information regarding your leaf and branch pick up. If you need to make special provisions for any additional accumulation of your leaf and branch waste outside of the current township pick up schedule, contact the number listed above and you will be given instructions and directions for special drop off locations near you. (Wood Waste Recycling: 43 Prestley Rd., Bridgeville, PA 15017 - Phone 724-695-1000)

## Dear Scott Township Resident:

Waste Management is excited to continue trash and recycling services in 2021. We will continue to provide you with weekly trash service, along with every other week single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables go into one container – remember, no plastic bags. We look forward to helping your community be as clean – and green – as possible throughout 2021 and beyond.

### Collection Times:

Your collection day will remain the same in 2021. All items must be placed at the **curb no later than 6 a.m.** on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

### Missed Collections and Additional Information

Despite our best efforts, we occasionally miss scheduled collections. If we do, please call us at **(800) 866-4460** as soon as you can. Our representatives will work with you to ensure that your materials get picked up. You can also visit us at **www.wm.com** for live chat and email options.

### Inclement Weather

Severe winter weather can be a challenge to our daily operations. At times, we find ourselves juggling to keep the safety of our employees at the forefront, while continuing to provide our customers with the timely service you deserve. Every decision that we make is for the safety of the community, its residents and our employees. During periods of heavy snow, ice and freezing temperatures, we must make the tough decision to suspend operations until conditions improve for us to recover. During periods of inclement weather, our team will be providing customers with real time service alert updates at **www.wm.com** – we recommend bookmarking this site for easy accessibility. When possible, we may also notify you by phone or email if your collection route is cancelled or will be delayed.

**THINK GREEN®**

### Restricted Items:

The following items will not be collected as part of your regular waste and recycling collection:

- Construction/demolition materials
- Automotive parts
- Household hazardous wastes (paint, oil, flammables, etc.)
- Dirt, stone, concrete, rock
- Medical wastes
- Materials from fires or evictions
- Tires
- Pesticides/insecticides
- Antifreeze
- Electronics

Please visit the Pennsylvania Department of Environmental Protection's website at [www.dep.pa.gov](http://www.dep.pa.gov) to learn how to recycle or properly dispose of these items.

### Bagster

Please visit [TheBagster.com](http://TheBagster.com) to learn more about ways to use The Bagster and the collection cost in your area. For larger projects, contact Waste Management at (800) 866-4460 for more information on The Bagster or a dumpster, which may be more suitable for your project. The Bagster automated trash collection is not intended to provide service for moves or total house clean-outs.

### Special discount!

## HAVE A BIG CLEANUP PROJECT

Plan for the waste with the Bagster® bag from Waste Management.

Get started today at  
**[thebagster.com](http://thebagster.com)**

**\$5** OFF ONE BAGSTER  
BAG COLLECTION<sup>1</sup>

Coupon Code: 113-11147 • Expires: 12/31/21

(1) Discount valid for the collection of one (1) bag. Discount applied to highest priced Bagster bag of an order. One coupon per person, household, or company per order. Coupon code must be given at the time of scheduling Bagster bag collection to receive discount. Coupon not valid where prohibited by law or not valid with other offers. Restrictions apply. Collection service not available everywhere; visit the [bagster.com](http://thebagster.com) to find available service areas. For collection, yellow lifting straps must be able to connect above the bag.

## MOVING??

**Please remember the Township provides all residents with a receptacle for trash and recycling collections. If you are moving to a new location the receptacles should remain with the property.**

RECYCLE OFTEN.  
RECYCLE RIGHT.™

## 2021 Recycling Program Information

Waste Management is asking your community to help combat recycling contamination. For programs to be successful, all participants must make an effort to practice good recycling habits.

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- **Glass is no longer accepted for curbside recycling** – talk to your municipality about local drop off programs.
- Containers that held food should be rinsed free of food debris and liquid.
- **Shredded paper is not accepted.**

Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling cart or bin.

Please follow the Recycling Guidelines. **BATTLE AGAINST CONTAMINATION:** Waste Management can leave contaminated recycling at the curb. Residents will receive a tag on their recycle bin explaining the item(s) that do not belong and further instructions. **Please make sure you are recycling right!**

### Always recycle:

Paper

Flattened Cardboard  
& Paperboard

Food & Beverage  
Cans

Plastic Bottles,  
Jars & Jugs

To Learn More Visit:

[www.wm.com/recyclerright.com](http://www.wm.com/recyclerright.com)

### Do NOT include in your mixed recycling cart:

**NO Food Waste**  
(Compost instead!)

**NO Plastic Bags & Film**  
(Find a recycling site at  
[plasticfilmrecycling.org](http://plasticfilmrecycling.org))

**NO Foam Cups & Containers**  
(CheckEarth911.org for options.)

**NO Glass Bottles  
& Containers**

**NO Needles** (Keep medical waste out  
of recycling. Place in safe disposal  
containers like Waste Management's  
MedWaste Tracker® box.)

**NO BAGGED RECYCLABLES**

# COMMUNITY DAY 2021 AT SCOTT PARK

## Scott Township - 4th of July Activities

..... Fireworks at 9:31 p.m. ....

**The pool will open at 11:00 a.m. on Saturday, July 4th**

Waterslide Races  
 Splash Contest  
 Inner Tube with Ribbons  
 Rubber Ducky Race - Water Slide  
 Money Hunt for K-4th  
 Bicycle Drawing\*  
 Pool Closes  
 Pool Re-opens for Fireworks Display

*\* To be eligible for the bicycles, you must have a season pass to Scott Township Swimming Pool. Purchase your season pass now!*

*Six additional prizes will be given away each hour to the children in the pool area. All children receive tickets when they arrive at the pool.*

### Rubber Ducky Race

On the 4th of July, the Scott Conservancy will be selling 50/50 raffle tickets for the annual "Rubber Ducky Race" outside the pool area. Buy a ticket for \$5 and a duck with your ticket number on it will be entered into the race. Watch the ducks swim down the water slide and race across Scott Pool! Proceeds benefit The Scott Conservancy and will be used to maintain the Kane Woods Nature Area for community use. The race is open to all ages and is a fun way to show support for us. Hope to see you there and **may the best duck win!**

### On the Small Ballfield...

Pre-T-Ball Games 8:30, 9 & 9:30 a.m.  
 T-Ball Games - 10 (Girls) 10:30, 11 & 11:30 a.m.  
 8u - Girls Game Noon  
 8u - Boys Game 1:00 p.m.  
 10u/12u/15u - Girls Game 2:00 p.m.  
 10u - Boys Game 3:00 p.m.  
 12u - Boys Game 4:00 p.m.

**Visit the Food & Game Booths  
 in the Upper Park Area  
 sponsored by  
 Scott Township Organizations**

### ★ ★ Enjoy a Special Night Time Swim ★ ★

The pool will close at 6:00 p.m. and re-open at 7:00 p.m. This will provide the perfect place to watch fireworks, which will begin at 9:31 p.m. that evening, and enjoy pool side music from 7:00 p.m. to 10:00 p.m.! Balls and rafts will be permitted in the pool at this time. Admission for the night swim will be \$1.00. The admission price will be used to defray the cost of the fireworks.

**★ ★ SEASON PASSES will not be accepted. ★ ★**

### SPECIAL THANKS...

*To the following Scott Township businesses and residents for their generous contributions to the 2020 Fourth of July Fireworks display and our Community Day festivities. Please join us for our 2021 Community Day Festivities, and plan to stay for the SPECTACULAR FIREWORKS event at dusk. We know you will be proud and pleased with our Scott Township Community from beginning to SPECTACULAR end!*

The Skin Center Management, LLC, S.F.S., C.W. Howard Insurance Agency Inc., Tedco, Lennon Smith Souleret Engineering, Inc.

**A Big "THANK YOU!" from Scott Township to all the children and adults for spending their summer at the pool!**

# **SCOTT POOL'S APPRECIATION DAY**

**Monday, August 2nd, 2021**

**12:00 p.m. to 9:00 p.m.**

**FREE HOT DOG & BEVERAGE**

**And your choice of Sno-Kone or Popcorn**

*(The above will be given away between 1:00 p.m. and 4:30 p.m.)*

## **ACTIVITIES:**

**Water Slide Contest "Time"**

**Splash Contest**

**Inner Tube Races**

**Money Hunt - K thru 4th Grade**

**Bike Drawing\***

**Family Night Swim**

**(6) Additional prizes will be given away each hour to the children in the pool area.**

**All children will receive tickets when they arrive at the pool.**

**\*To be eligible for the bicycles, you MUST have a season pass to Scott Pool.**

# Upcoming Events *Keeping you in the communication loop*
