Public Relations Report

Diversity & Inclusion Committee

Wateska mentioned that the Committee Meeting will be held on June 1, 2021 at 7:00pm. Wateska also stated that on June 2, 2021 herself and some of the other members of the Committee will be participating in a virtual information sharing event with other organizations in the South Hills.

Library Liaison Report

Motion to approve the request from the Friends of the Library for the use of the Community Room on Saturday, September 18, 2021 from 11:00am-10:00pm, to host the 6th annual Trivia Night free of charge.

Motion by Castello, second by Calabria to approve the request from the Friends of the Library for the use of the Community Room on Saturday, September 18, 2021 from 11:00am-10:00pm, to host the 6th annual Trivia Night free of charge.

All in favor

Motion Carries (8-0)

Meyers mentioned that the library has re-opened to full service. The summer reading program is to start soon, and Kona Ice Food Truck will be in the parking lot of the Municipal building on June 12, 2021 from 11:00am – 1:00pm.

SHACOG

Standing Committee Report – Administration

Conferences and Workshops

Public Comments on Items Not Listed on the Agenda

Dan Jarrett
340 Lindsay Rd.

Jarrett was in attendance to discuss his property. He and his wife have lived at this location for 41 years. 15 years ago, he purchased the lot adjacent to his lot. His plan was to build a home on the additional lot for his children. However, he has been told that the lot is zoned an R-3 which does not allow single-family homes to be built on the property. This also makes his home a non-conforming structure on an R-3 zone. Currently there are 22 homes in this plan, and he feels that they are probably under the same status as his home.

Wells asked if you could build an R-1 in an R-3. Wells believes that you just cannot build anything more than an R-3 zone.

Mox confirmed that Jarrett's property and all the properties in that plan are currently zoned R-3. A single-family residential home is not permitted in an R-3 zoned district. R-3 zoning is for multi-family living. Mox stated that there are options for the Commissioners to take into consideration, as well as possible variances that could be applied for, but there are always risks with variances that they may not be granted.

Castello asked if Jarrett's use pre-dated the change to an R-3 zone.

Mox stated that he believes it did. The change to the zoning occurred in 2015 when the consultant was hired to look at all the zoning districts in the Township and they consolidated some districts.

Wells asked if this situation would be considered a taking.

McTiernan stated that the Courts would not consider this a taking. If it is a legitimate zoning regulation and it was made before the use, He would not consider this a taking.

Castello stated that the lot is not big enough for any other use other than a single-family home therefore, they could probably get a variance. Castello stated that he will contact Jarrett tomorrow to discuss the process behind applying for a variance.

Bob Shalomon
416 Orchard Spring Rd.

Shalomon asked about the road paving program and when the work will begin and how and when the park paving will begin.

Hartman replied that the park paving is part of the road paving program. The Township Engineer's have not had the pre-construction meeting with the contractors yet. Once, the pre-construction meeting is held a schedule will be provided. Hartman advised that Duquesne Light must remove the poles within the park, which should be scheduled within the next couple of weeks.

Shalomon asked what the park paving project entails.

Hartman said that the Township is going to increase the parking area, adding sidewalks, and removing poles.

Shalomon asked if there was a leaf and grass ordinance for the Township.

Several Board members answered yes. They also stated to contact the Township office to report a problem.

Shalomon also asked what the Public Works Department is going to do with the park's appearance. Grass was recently cut, and grass clippings are all over the sidewalks. There is a parade scheduled soon and the park does not look maintained.

Shalamon asked if the Township will be painting the curbs this year.

Fitzgerald replied that the curb painting is usually done by the summer help crew.

Shalamon asked if the Township was going to get summer help this year.

Fitzgerald stated that the Township is currently looking for individuals interested in applying for the summer help program.

Shalamon asked about the replacement signs entering the park.

Fitzgerald stated that she would have to follow up with Kelley on that. The work was approved, and the signs were ordered.

Shalamon stated that the library has been re-opened and he wanted to know why it was not announced on the LED message board. He stated that the same advertisement has been on the sign for 5 months now.

Stoker stated that the library dictates what advertisement is posted on the message board. They are provided one slot per month for advertising.

Shalamon stated that the new St. Clair health was opened. He asked if anyone from the Township was invited to the Ribbon Cutting Ceremony.

Fitzgerald stated that she was invited however, she was out of town. Mihalko attended in her absence.

Castello said that he felt the Board of Commissioners should have been invited.

Anthony Amadio
113 Orchard Spring

Amadio attended the meeting because he received a letter stated that he has an illegal car parked on his property and furniture on his front porch. Amadio stated that he was going to get a Microbiologist to check the water. Amadio's friend is a 5-star Attorney and if anybody 'jerks him around', he will sue them. Amadio also knows the Chief in Greentree and he showed him his DEA badge and now he can't get into the building to see him anymore. His mother was mad because he was smart, and he knows how to invest and make a million dollars. Amadio's mother was upset that he never gave her any of that money. His mother turned around and gave Power of Attorney to his brother John and she gave him money to buy a house that is worth \$400,000.00. Amadio is going to go to Washington D.C. to get his DEA badge back and then he is going to try to go to Law Enforcement Training Centers to train himself because he has people telling him they are going to kill him.

Wells asked what Amadio would like the Township to do to assist.

Amadio replied to get 'off his back' about the car in the driveway.

Calabria asked if he got a ticket.

Amadio said he received a letter.

Wells said that he showed him everything that needs to be removed from his property. Wells asked if Amadio cleaned everything up.

Amadio said that he cleaned up most of it, but he sits on the chair that is on his front porch.

Wells explained to Amadio that chairs with cushion on them need to be inside. They are not meant to be used outside.

Altman stated that Seibel and Mox will follow up with Amadio and work with him to get everything up to code.

Anthony Cedro
35 Crosswinds

Cedro stated that he has lived on Crosswinds for 11 years. The house next to him at 45 Crosswinds is the only house on his street that is a rental. The Landlord requires the tenants to maintain the property on the outside. Cedro stated that he pays over \$1,000.00 each year to landscape his property and he knows his neighbors do the same thing. This property at 45 Crosswinds has rodents and snakes. Cedro is always reporting this property to the Township. However, he wanted to know if there were any other suggestions.

Mox stated that the homeowner has been sited. Mox also stated in the violation notice that this is an ongoing problem, and it will no longer be tolerated. If the problems are not addressed the homeowner will have to present his case to the Magistrate.

Commissioners Requests

Calabria suggested getting a lawn service to cut the grass at those properties that are not following the Township Ordinance and then lien the property.

McTeirnan stated that the Township would have to give proper notice of the lien.

Fitzgerald replied that the Public Works Crew currently does the grass cutting for those properties that are not following the Township Ordinance properly.

Gazda mentioned the Public Safety Committee Meeting scheduled for Monday, June 7, 2021 at 7:00pm.

Meyers asked for the status of the plaque for William Quinn. She stated that the family has called her asking for an update.

Calabria said that he would follow up with the vendor.

Wateska wanted to follow up with the 'No dumping' signs on Scrubgrass Road.

Wells asked what the capacity of the pool is this year.

Fitzgerald replied that the pool capacity is 400. If the Board of Commissioners feel comfortable with re-opening the pool to Non-Residents as well that is something that can be discussed.

Wells asked Fitzgerald what her thoughts were.

Fitzgerald replied that she feels the pool should open for normal business.

Wells also asked Fitzgerald about the status of a special park permit for events being held in the park.

Fitzgerald responded stating that the proposed permit was sent to McTeirnan for review.

Altman asked if Our Lady of Victory has been sold yet and said that she was worried about the Memorial Day Parade and people lining up at Our Lady of Victory.

Wells stated that Mox should send them a violation letter to get the grass cut.

Mox stated that he will contact the church tomorrow.

Executive Session

- Potential Litigation

Adjournment

Motion by Castello, second by Meyers to adjourn the meeting.

The meeting was adjourned at 8:49p.m.

Attest: _____
