UPDATED Trash and Recycling  
Collection Guide 2024

Dear Scott Township Resident:

WM is proud to be your environmental solutions provider. As part of our new contract with Scott Township, all residents will receive automated curbside collection. Beginning January 1, 2024, residents will be limited to material that fits inside of the cart for collection. Material outside of the cart will not be collected. Additional carts can be requested for a fee. The attached calendar shows your recycling and bulk collection service weeks.

WM is excited to continue our partnership with Scott Township and looks forward to helping your community be as green as possible.

General Information

Trash will be collected once every week and recycling will be collected every-other week.

Despite our best efforts, we occasionally miss scheduled collections. If you believe you missed service, visit [www.wm.com](http://www.wm.com). Residents can also sign up for a My WM Account to conveniently report missed pickups.
