FROM THE TOWNSHIP MANAGER

We hope you find this newsletter both informative and helpful. Inside, you'll find details on upcoming events and important information designed to keep every resident connected and informed.

As 2026 is coming to a close, we are happy to reflect on all that we have accomplished for the township this year. The township has made several technological upgrades aimed at improving communication, accessibility, and transparency. This includes the addition of our branded mobile app that is integrated with our website and community calendar, as well as allowing for consistent communication across our social media platforms. In addition, we have a new transparency tool that gives residents an easy-to-understand view of how tax dollars are spent and how budget changes impact the overall financial picture. This secure, private AI-supported integration will also help strengthen future grant applications.

As some of you may have already seen, our website has received a significant facelift to make it more user-friendly and easier to navigate, ensuring residents can quickly access the information they need.

Thank you for being an engaged and valued part of our community. We hope this newsletter serves as a useful resource and keeps you informed about the progress and priorities of Scott Township.

Sincerely,

Denise H. Fitzgerald, MBA, ICMA-CM

Township Projects

2026 Road Paving

Road paving began at the end of August. All paving was done by Youngblood Paving Inc. All or portions of these roads were included in this year's paving:

- Ash Street
- Doris Drive
- Foxcroft Road
- Lochlin Drive
- Mary Way
- Pieria Drive
- Robinhood Drive
- Scott Park roadway and parking lots
- Skylark Drive
- Woodridge Drive

Scott Park Pedestrian Improvements

Scott Park received big upgrades this summer to improve pedestrian safety and convenience. The work included new sidewalks, ADA ramps, crosswalks, curbs and more. Independent Enterprises Inc. performed the work on this project, which finished at the end of August.

The Oaks Storm Sewer Improvements

The Oaks area (including Green Oak Lane, Orchardview Drive and Spreading Oak Drive) is getting a stormwater conveyance upgrade. The old storm sewers in the area needed to be upsized to help reduce localized flooding. Jet Jack Inc. is doing to construction on this project, which is expected to wrap up early fall.

C-53 Sanitary Sewer Project

Berkwood Drive, Somerville Drive, Sillview Drive, Pembroke Drive, Norsen Drive, and Moynelle Drive received big upgrades to their sanitary sewers over the spring and summer. The old sanitary sewer system there was subject to root intrusion, stormwater/groundwater infiltration and sewer line breaks. Cronin Enterprises LLC is performing the work for this project, which is expected to wrap up early fall.

North Wren Sanitary and Storm Sewer Project (Phase 1)

The first phase of a storm and sanitary sewer project in the North Wren area began this summer. This phase runs from the Scrubgrass Run stream up to Grouse Drive. The old storm sewer system here is undersized and needs to be upsized to increase its capacity. The old sanitary sewer system here is aging and prone to root intrusion and infiltration by storm and groundwater. Cronin Enterprises LLC is performing the work for this project.

For any questions about any projects, feel free to reach out to the township at 412-276-5300.

Thank you!

We appreciate your patience during these projects. Please remember to slow down, follow posted detour signs, and drive safely through work zones.

Rental Guide 2027

Making sure YOU get the shelter you want, WHEN you want it

Graduate parties. Family reunions. A Steelers Super Bowl party (one can only hope). The opportunities are endless with the rentals at Scott Township Park. Scott Park offers two large indoor shelters, 6 outdoor shelters, an amphitheater and a fire pit for township residents to rent. **If you reside outside of the township, you are unable to rent any of the facilities.** Rentals are sold by the day, not the hour.

The Lodge

On the cover of this newsletter and nestled towards the back of the park is a large building called The Lodge that has created countless memories. There is plenty of room for activities!
